	1st half classes - Faculty members are prohibited from giving in-class or online examinations or tests that are in-lieu of final examinations during the last 7 calendar days prior to the start of the final examination period of any fall or winter semester, the last 3 calendar days of any seven-week session, and an appropriately adjusted number of days for other parts-of-term. This policy also covers quizzes if the particular quiz accounts for more than 10% of the course grade. Homework assignments, term projects, presentations, laboratory exams or reports, and short quizzes (quizzes worth less than or equal to 10% of the course grade) are not covered by this policy. Violation of this policy will be first referred to the Dean of the academic unit that offers the course. A student may contact the Academic Affairs Office if the issue is not resolved by the academic unit. Faculty members are urged to keep heavy end-of-term student workload in mind when assigning short quizzes or other tests during the periods noted above.

*Financial aid (i.e. scholarships, grants, loans, awards) is finalized based on the registered courses and course credits on the financial aid credit lock date. Courses and credits added after the financial aid credit lock date are not considered for financial aid, scholarships, grants, loans, and awards. For more information, visit the Student Financial Services website.

**Last day for federal financial aid recipients to withdraw from all classes and return federal Title IV financial aid funds.
