If you cannot find a tutor for the course you need support in, utilize [NetTutor](#), a free online tutoring service for UMKC students. NetTutor is a free service separate from UMKC Tutoring that offers students a variety of modes to get help online (UMKC SSO login required). You can communicate with tutors via chat, audio or audio-video connection. Unlike UMKC Tutoring, NetTutor is not staffed by UMKC students.

To contact UMKC Tutoring, email us at [umkc tutoring@umkc.edu](mailto:umkc tutoring@umkc.edu)
