LIABILITY AND WORKERS COMPENSATION LIMITS

The following limits are recommended:

General Liability

- \$1,000,000 per occurrence
- \$2,000,000 aggregate per job or project
- ***Riverstone Communities, LLC and all its related entities*** to be named as additional insured
- Coverage to be written on an occurrence form
- No deductible or self insured retention

Statutory benefits and Limits:

- Employers Liability (Each Accident) -- \$500,000
- Disease – EA Employee -- \$500,000 per disease
- Disease – Policy Limit -- \$500,000

If the contractor cannot or will not comply, owners may approve lower limits based on other factors, such as the nature and size of the work to be performed, as well as the availability of other contractors with a competitive price.
