Course Description

This is a speech practice course that focuses on the development of concepts essential in the presentation of information. The goal of this course is to enable students to organize and communicate information on a variety of topics. Group work is going to be an important part of this course.

Grading and Evaluation

Attendance and Participation	10%
------------------------------	-----

Listening Quiz	10%
----------------	-----

Individual Speech/Listening	40%
-----------------------------	-----

Team Presentation/Listening	40%
-----------------------------	-----

Course Procedures

Firstly, students who are absent (or late by more than 10 minutes) will lose two points from their Attendance and Participation grade. Two incidents of tardiness will be counted as one absence.

Course Topics

Weeks 1 – 7: Techniques for Informative Individual Speech

Week 8: Individual Speech Exams

Weeks 9 – 15: Techniques for Persuasive Team Presentation

Week 16: Team Presentation Exams
