Decorate a Tree Relay

Objective: To be the first team to have all decorations on their tree.

How to play:

- Choose one player from each team to be the tree.
- The tree chooses a pose and then must hold the pose for the entire game.
- One person from each team runs down and hangs something on the tree.
- If the item falls off, the next person in line may fix it or choose something else to hang.
- The first team to hang all of their ornaments on the tree wins.
