Several concerns surrounding the MPA Regional and State Meets at Twin Brooks

- *Busses are too far from the course not allowing teams to properly unload supplies and not being available for shelter for tired/cold runners.*
- *Ambulance is too far from the course and not readily available to treat athletes.*
- *The awards ceremony continues to be disorganized and poorly done. Errors are common. Coaches agreed to organize the post-race ceremony if allowed to by the MPA.*
- *NO printed results are available after the race.*
- *Errors and last minute changes to the MPA bulletin.*

4. Discussion of next year's schedule

Discussion: Agreed that we would use the 2011 schedule (which was a new schedule this season) and alternate the sites for 2012.

5. 2nd 7 site – 2012
