50 XP / 25 Mins

Your Task: Create a postcard that you would send home to tell your family about the civilization we are studying

Front

Instructions:

1. On the front of your postcard draw and color a picture of the civilization. If your postcard is about a specific part of that civilization you should draw that.
2. Include a short greeting message in with your picture such as “See the beauty of Rome” or “Hello from Rome!”
3. Flip your postcard over and draw a line along the middle of the back of your postcard from top to bottom like in the example below.
4. On the left side of the back write a note to your family describing something amazing about that civilization (one full paragraph) that would want to see if they were visiting.
5. On the right side put your name and a mailing address in the center.
6. In the top corner draw a stamp that represents a famous person from the civilization

EXAMPLE

<p>Dear Mom and Dad, Wow guys I wish you could be here in Rome with me! This city is unlike anything I've ever seen before. The first thing I noticed was how clean everything is. The roads are all paved beautifully and the buildings are just incredible. I got to visit the senate building yesterday and I felt like I could have been a Roman Senator myself! The way the Romans use columns and arches in everything is truly amazing.</p>	 <p><u>Your Name</u> <u>An Address</u> (can use your own)</p>
