50 XP / 25 Mins

Your Task: Create a postcard that you would send home to tell your family about the civilization we are studying Front

## Instructions:

- 1. On the front of your postcard draw and color a picture of the civilization. If your postcard is about a specific part of that civilization you should draw that.
- 2. Include a short greeting message in with your picture such as "See the beauty of Rome" or "Hello from Rome!"
- 3. Flip your postcard over and draw a line along the middle of the back of your postcard from top to bottom like in the example below.
- 4. On the left side of the back write a note to your family describing something amazing about that civilization (one full paragraph) that would want to see if they were visiting.
- 5. On the right side put your name and a mailing address in the center.
- 6. In the top corner draw a stamp that represents a famous person from the civilization

## **EXAMPLE**

Dear Mom and Dad,
Wow guys I wish you could be
here in Rome with me! This city is
unlike anything I've ever seen
before. The first thing I noticed
was how clean everything is. The
roads are all paved beautifully and
the buildings are just incredible. I
got to visit the senate building
yesterday and I felt like I could
have been a Roman Senator
myself! The way the Romans use
columns and arches in everything
is truly amazing.
