Renaissance
Chapter Walk

Essential Question: In what ways does it appear that the life of the people the Renaissance was different than it was for the people of the Middle Ages?

Documents

Major Trading Cities p. 301*, History Close-Up: Florence* p. 302-303, *Renaissance Art p. 307*, *The Genius of Leonardo da Vinci* p. 308-309,

1. **Read** the essential question above and determine what is being asked.

2. **Create a chart** like the one below to show information that you already know

Medieval Life

Peasants	Nobles

3. Read and review the first document together. **Highlight**, circle or underline any evidence that may help you answer the essential question.

4. **Write an analysis** of the first document which includes:
    a. a citation of the source
    b. a summary of the source
    c. the source of the source (who wrote it? Primary or secondary?)
    d. an evaluation of the reliability of the source (is it believable? Is there bias?)
    e. an explanation of what position it supports.

5. Repeat steps 3 and 4 for the remaining documents.

6. Based on the evidence write your group's answer the essential question in a complete paragraph. Cite at least three pieces of evidence from your document analysis in your paragraph.
