# Illustrated/Annotated Map

100 XP/ 50 Mins

*Your task: Create a map of a historical event or civilization that includes illustrations and captions highlighting key information. Your map should be neat and colored.*

Instructions:

1. First create a ROUGH DRAFT with:
    a. The basic map of your event or civilization. You may trace this if you can find one large enough.
    b. Either a picture or a 3 sentence caption for 5 different events or locations on your map. Each item should be in the proper location on the map.
    c. A legend and relative scale.
2. Number each of the 5 pieces on your rough draft and show it to your teacher before moving on.
3. Create a FINAL DRAFT with all of the above pieces neatly colored on white paper.
