

## Political

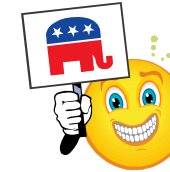

For each line

If you believe...

- Taxes should be low for everyone, even if that means cutting some government programs,
- Companies should not be forced to lower pollution levels because the cost is too high,
- Parents should be allowed to choose to use their own tax dollars to pay for private school instead of public,
- Spending for the army should remain high to ensure our defense,
- We should continue to fight in Afghanistan until that country is safe,
- Abortion should not be allowed,
- People should be allowed to own guns in order to protect themselves,
- People should be given back some of their tax money to help pay for healthcare,
- Businesses should be punished for hiring illegal immigrants,
- People who are suspected of terrorism do not have the same rights as American citizens,
- Life was better in this country 50 years ago when most families stayed together, went to church and took care of themselves.

then you are most likely a \_\_\_\_\_.

## Beliefs

circle the ONE side of the chart you believe most.

If you believe...

- The rich should pay more taxes than everyone else so we can support more government programs.
- Companies should be forced by law to lower pollution levels even if it means raising prices,
- All tax dollars for education should go to public schools only,
- Spending for the army should be lowered since we are not currently under direct attack,
- We should leave Afghanistan immediately, even if terrorists remain there,
- Abortion should be allowed,
- Gun ownership should be restricted only to the police and military,
- Taxes should be used to provide healthcare for everyone no matter the cost.
- Businesses should be punished for hiring illegal immigrants,
- Anyone arrested in this country, even foreign terrorists, have the same legal rights as American citizens
- Life was worse 50 years ago because people were left to take care of themselves without much help from the government.

then you are most likely a \_\_\_\_\_.
