

# **New Student Checklist for Science**

Welcome to class! Please complete the following to get ready to learn.

## **o Class Syllabus – Read and Get Signatures**

Find this in the “Missing Work” drawer in the file for “Beginning of School.”

## **o Create your Journal and Student File**

- o Journal: Find the cover pages in the “Missing Work” drawer.
- o File: Ask teacher for materials. Put your first and last name on a tag, and file it.

## **o Personal Data Letter**

On binder paper or the back of this page, please write your answers to the following questions:

- Your Name and Your Parents/Guardians Names
- Where have you lived?
- How were your past science classes?
- What would you like to learn in this class?
- What do I need to know to help you learn better?
- What are some things you’re good at or you enjoy?
- What else should I know about you?

## **o Join Google Classroom**

- o Accept the invitation to “Join” or ask teacher for the class code.

## **o Group Work Direction**

- o Go to “Classwork” -> “Beginning of School” in Google Classroom and submit this.

## **o Make Your Nametag**

- o On 1/3 sheet of plain paper, write your name and pronouns (if you want) in large font.
- o On the back or other sections, write your interests and your goals for science class.

## **o Watch the “Introduction to Class Slideshow”**

- o Find this in the “Important Information” or “Beginning of School” unit pages on the class website: [Stevens.PortAngelesSchools.org/Science8](https://Stevens.PortAngelesSchools.org/Science8)
