Newport Junior Football League

NEWSLETTER FEBRUARY 2022

PJSS
For any new secretaries this year please take note that players cannot register and play at your clubs and PJSS.
Currently, there are investigations surrounding two players registered at U12 who are also playing for PJSS in the JPL. If the allegations are found to be true then the players are likely to face disciplinary action and the players may be prevented from playing for their clubs until the matter is resolved, which could take some time.

The rules are clear. Players can only play for one team at a time. If they are playing for PJSS they must be transferred and have an international transfer certificate to play for them. If or when they choose to stop playing for PJSS they will then require another transfer.

COMET REMINDERS
After you have selected your team line-up, please remember to then CONFIRM the line-up on the COMET Football app. If you don't, the line-up will not show as being submitted.

Under FAW Rules, a player's registration commences on the day after it has been confirmed by the FAW (this is the Date from on the player's registration profile). Therefore, if your player's registration is confirmed on a Friday, then his/her registration only commences on the Saturday. If you have a match on a Saturday and you try to add the player to your team line-up on a Friday night, the player will not show as being available, However, if you try to add the player to the line-up on a Saturday morning, then he/she will show as being available. - In addition to the above, please note the additional step you need to take if your team operates a squad roster. If your team has created a roster, you must remember to add all new confirmed players to this roster. If you don't you will not be able to select them

PITCHES
Newport City Council have a rule that no more than 1 game per day is to played on NCC pitches. This also includes mini games (usually U10 or U11 matches) being played across pitches.

Please remember that pitches badly damaged by overuse are not available for some time. Look after them if you want to carry on using them.

VOLUNTEERS
I wrote to you all in January to tell you about a project that we are working on with the WFT and Newport Live called Volunteers.

You might recall that I requested feed back from you all. Out of 15 clubs only 1 of you took the time to respond with some very useful information. Many thanks Caerleon for your input.

I can only assume that the rest of you must have more than enough volunteers at your club!!!!!

Any information that you supply would help to feed back to these meetings that I attend.
