The Assessment of Essential Skills graduation policy remains suspended through 2027-2028 as per the October 2023, Oregon State Board of Education decision in response to the recommendations found in the Senate Bill 744 Report: Community-Informed Recommendations for Equitable Graduation Outcomes. The Oregon State Board of Education's extension of SB 744 applies to the Assessment of Essential Skills requirements for receiving a Regular or Modified Diploma. The suspension allows for the Legislature and State Board to take more comprehensive action in reference to those recommendations.
