

PLEASE NOTE:

This series is inspired by the MSPaint adventures. I am not trying to copy, just making something like it. If people are complaining that it isn't like it at all, I'm trying to make something that is not EXACTLY like MSPaint Adventures.

Thank you! Enjoy!

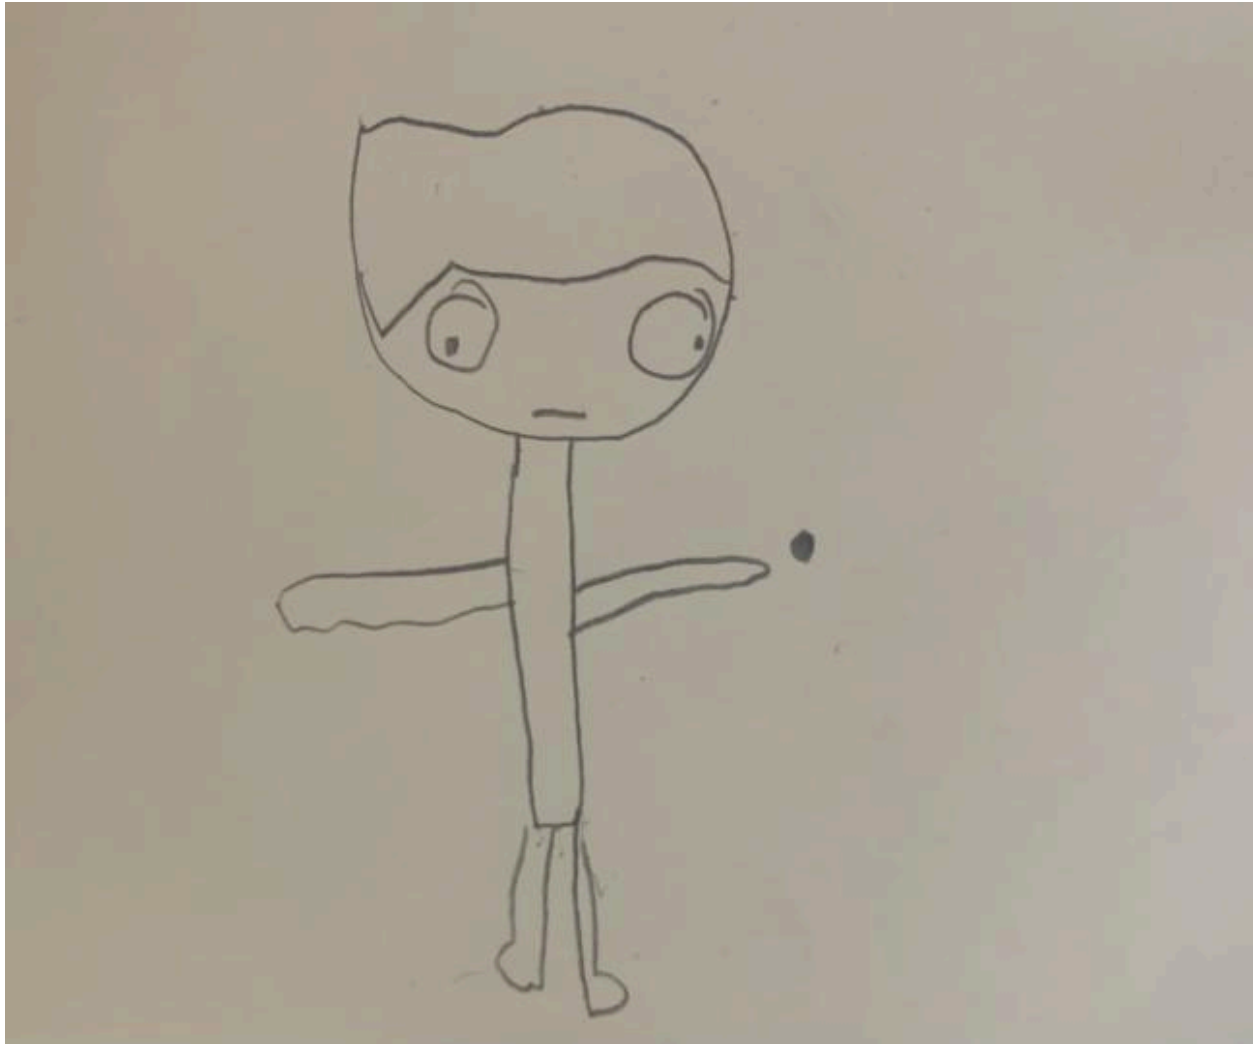

START:

Before you is a **SMALL DOT**. If you could do anything, what would

it be?

*You decide to turn it into a **BOY WITH A DOT**.

*You now have a **BOY WITH A DOT.**

You can turn this **OTHER DOT** into something, too.

*you turn the other dot into a **GIRL WITH A DOT.**

As ugly as the **BOY** and the **GIRL WITH A DOT** are, they need names.

*You name them **JIM** and **BOBITHA**.

JIM and **BOBITHA** are both ugly. Two (2) ugly people go well together. They get married and have **CHILDREN**. Their names are **JANET** and **BILL**. There is still one (1) **SMALL DOT** left.

*you turn it into a **TOWN WITH A DOT**.

You now have a town called **TOWNVILLE**. But you need people to occupy the town.

*You use the **FINAL SMALL DOT** to create "**PEOPLE WITH PERSONALITIES.**"

Your world is completed. You never said the people needed food and water, so that is not required.

All the residents of **TOWNVILLE** have different personalities. **BILL** and **JANET** learned to have a personality and grew to be teenagers.

Because of personality, not all humans are perfect. Not everything is perfect.

TWO (2) YEARS LATER..

BILL and **JANET** wake up out of bed.
The **PARENTS** have gotten loose again.

BILL: I got them last time. It's your turn.

JANET: No, I got them last time! You go get them!

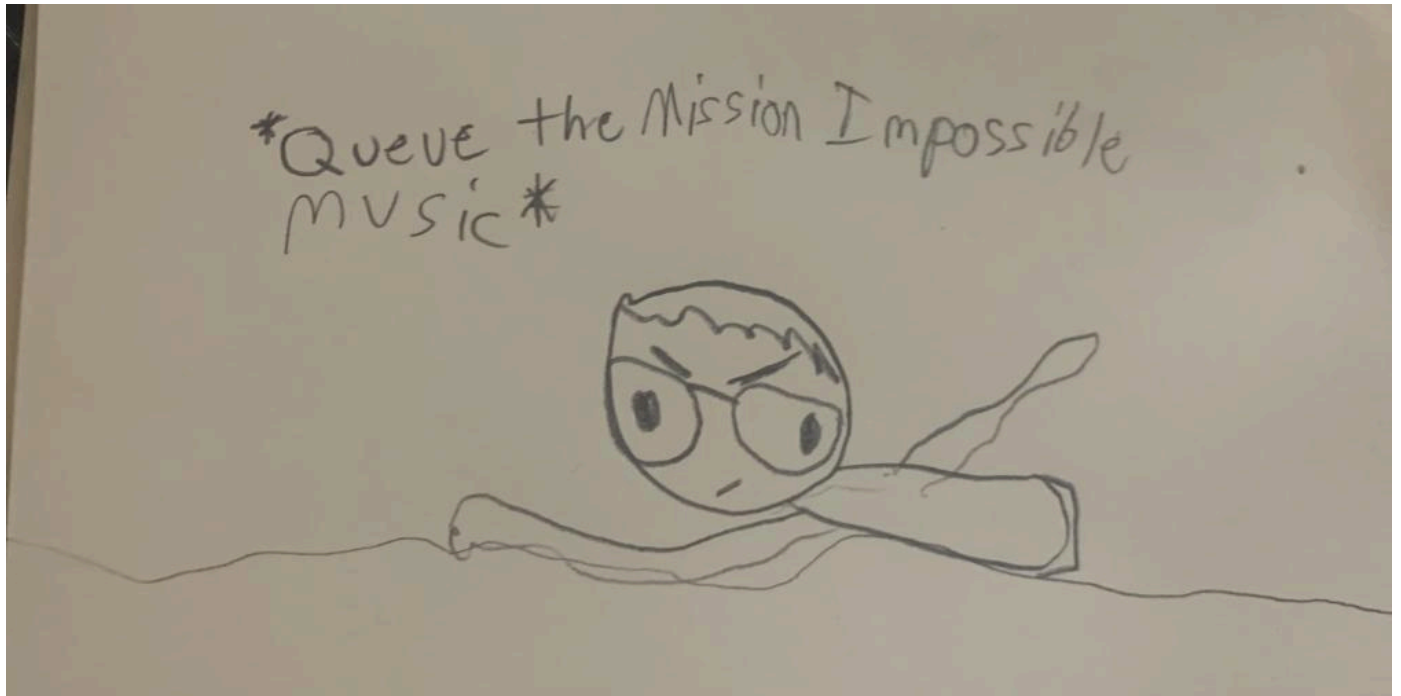

BILL: BUT IT'S 9 IN THE MORNING!

JANET: But what does that have to do with anything?

BILL: I don't know, I felt like saying it. I GUESS I'll go get them.

BILL attempted to get out of bed. He fell on the floor and hit his head. That's right, his **LEGS** were in the kitchen. Better go get them.

You helplessly crawl along the floor. He convinces himself he is a person in **Mission Impossible**. He's never seen it before, but he assumes this happens.

You reach the **DOOR**. You slowly open it. A light is on. Shadows roam the hallway. The **PARENTS** are like **NPCS**: they walk back and forth until you interact with them.

You can't fight the **PARENTS** until you have retrieved your **LEGS**. You remember leaving them in the kitchen.

You roll like a spy across the floor. You reach the **KITCHEN**. You don't see your **LEGS** anywhere. The **PARENTS** must have thrown them in the **GARBAGE**. If you want a maid, don't get **PARENTS**. They put everything in the **GARBAGE**.

You open up the **GARBAGE**. It is very large. You see your **LEGS** at the bottom along with **ONE (1) EPhone, TWO (2) PAIRS OF OVERWEAR, SEVEN (7) ARMS, ONE (1) PARENT-BITE-ANTIDOTE, and THREE (3) of your FAVORITE FOOD**. Your favorite food is **TACOS**.

You take everything you found and equipped your **LEGS**. You put the **EPhone** in your left hand and **NOTHING** in your right hand. You are ready to fight the **PARENTS**. Before you go, you download **ANNOYAFRIEND** on the **EPhone** so you can talk to **JANET**.

BILL07 MESSAGED J@NET746 AT 9:34 A.M

BILL07: i got so many things from the kitchen
going to fight parents now

J@NET746: OK be careful and make sure they dont bite you.

BILL07: OK i got a parent bite antidote in the kitchen so ill be
fine.

J@NET746: alright im going back to sleep. message me if someone gets
hurt.

BILL07: wait if i get hurt will you help?

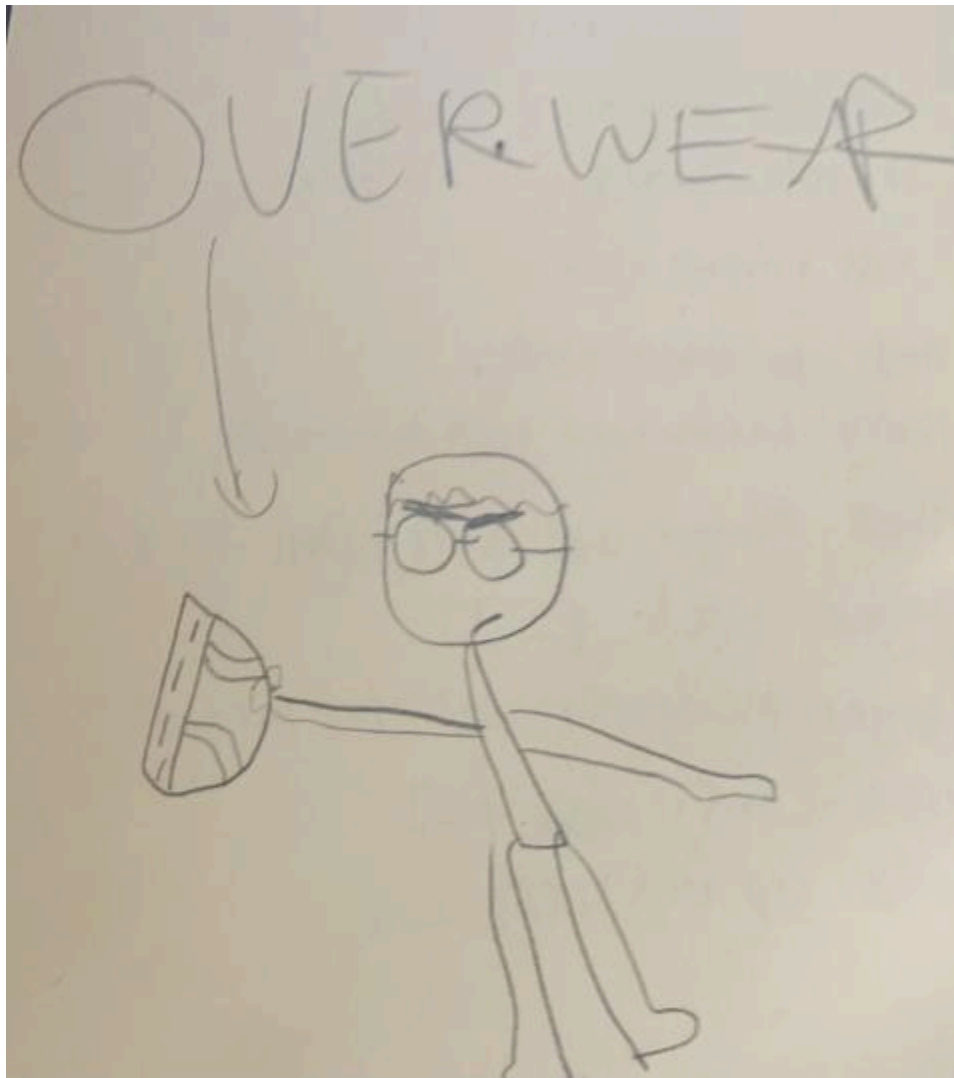

J@NET746: no i just want to watch, itll be funny haha ok bye

9:36 J@NET746 WENT OFFLINE.

You prepare to fight. You download **PARENT HYPNOTIZING SOUNDS** off of a sketchy website on the **EPhone**. You open up the kitchen door and walk out very cool looking.

[EPIC CUTSCENE](#) < - - - [CLICK FOR CUTSCENE](#)

You should've tied your shoes. The **PARENTS** have spotted you. You quickly take out your best weapon. By best weapon, you mean the first thing you grab. You grab the...

OVERWEAR...

You throw the **OVERWEAR** at the **PARENTS**. Nothing happens.
You try to run but fall again. Man, you need to tie your shoes.
The **PARENTS** are closing in.
They pull out their **CLEANING SUPPLIES**.
You prepare to die. This is it.
You hold up your arms.
That won't stop them...

BUT THEY CAN!

You pull out all the **ARMS** that you got from the **GARBAGE** earlier and block all their attacks.
But still, one **PARENT** gets to your **LEG**. It bit you!
You are rolling on the floor. Your vision gets blurry. You see a figure drop kick the **PARENTS**. The figure comes over and grabs your **BACKPACK**. They pull out a can. They open your mouth and pour the **LIQUID** down your mouth. Your vision comes back and you see **JANET**, standing over you with the **PARENT-BITE-ANTIDOTE**. She saved you.

JANET: You owe me 5 dollars, you sissy.

BILL: I think I bruised my tailbone.

You defeated the **PARENTS**. You learned the skill **SISSY** and **JANET** learned **HERO**. You think of life as a video game. Probably not the best thing to do, but **WHATEVER!**

Literally Less Than 1 Min. Away From BILL's House...

A **MAD SCIENTIST** sits in his room. He likes **POTIONS** and is **SUPERSTITIOUS**. His hobbies include making weird **POTIONS**, drinking **ROOT BEER**, and eating **FRUIT**. What is his name?

*You name him **DANIEL**

DANIEL sits in his room. You **RETALICALLY** drink a weird **POTION**, although you don't know what that means.

You continue to drink the weird **POTIONS RETALICALLY**, but you still don't know what that means.

One of the weird **POTIONS** turns you into a chicken. You never made a potion for **UN-CHICKENIZING**, so you are stuck like this. And you never found out what **RETALICALLY** meant.

You jump out the window and run less than a mile. You brought all your **POTIONS** and stuff with you. It's the day you've been waiting for...

The day...

You start...

An army...

Of...

RETALICALLY COOL CHICKENS!

BILL sits in his room. He is suddenly hungry for **CHEESEBURGERS**. You **GRACHOW** the stuff in your room into your **APPENDIX**. You don't know what that means, but your **APPENDIX** hurts and probably has to be removed.

You walk downstairs and open the fridge. All that there is is **SALAD**, your **LEAST FAVORITE FOOD**. You close the fridge. You see a **MARKER** on the floor. You **GRACHOW** the **MARKER** into your **APPENDIX** (You still don't know what any of that means.)

Meanwhile, **DANIEL** is making a **RETALICALLY COOL CHICKEN ARMY**.

DANIEL walks through his new **LAIR**. It's not what he thought, but his **GRANDMA'S BASEMENT** works totally fine.

You create new **POTIONS**. You don't know how to make a **UN-CHICKENIZING POTION** though.

All of the **POTIONS** you created turn people into chickens.

Soon, your **ARMY OF CHICKENS** will be complete.

BILL sits on the couch. You are watching TV. **JANET** is not home, which is good. She keeps you from doing anything.

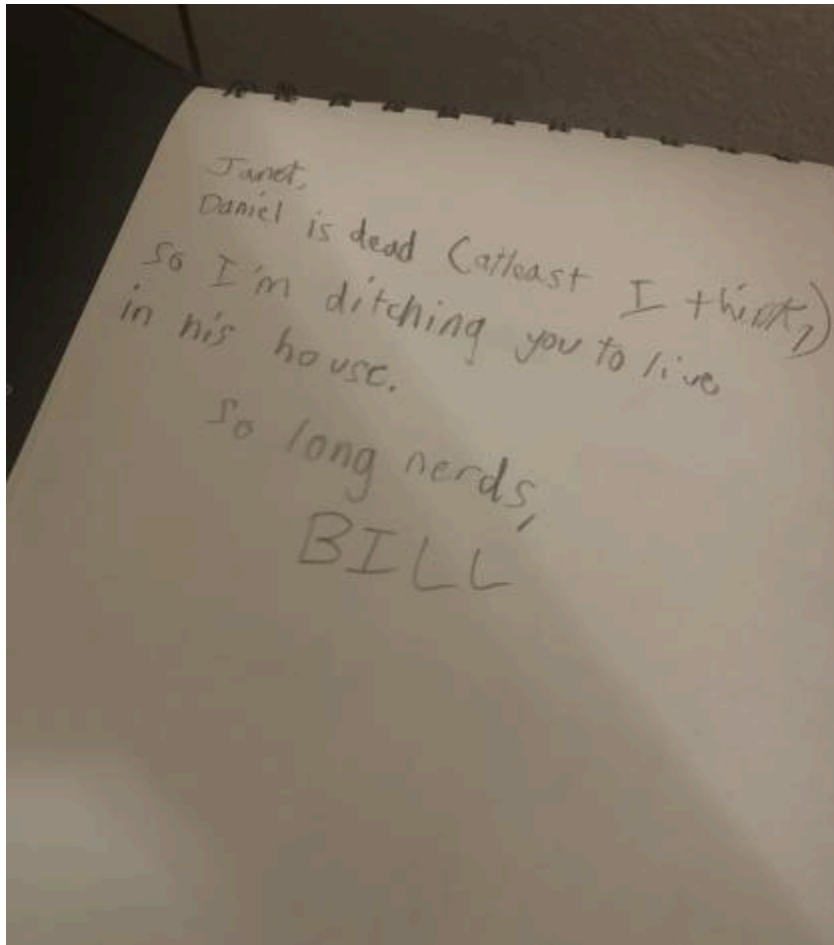

You walk outside. It is 2:43 P.M. Your neighbor, **DANIEL**, has been acting different lately. Maybe you should go check on him?

You walk to **DANIEL'S HOUSE**. The front door is open. You walk yourself inside.

His house is nice. You walk up to **DANIEL'S ROOM**. There are usually beakers of **POTIONS** and things like that, but it's all gone. **DANIEL** isn't there. You decide to take his cat because **DANIEL** is probably dead.

You take the cat. His name is **FLUFFERS**. **FLUFFERS JOINS YOU!**

Now that **DANIEL** is probably dead, you decide to live in his house. It's what he would've wanted. You leave a note for **JANET**.

Now that **JANET** understands nobody likes her, you go to **DANIEL's HOUSE** and take a bath. You can't pay your water bill at your house, so now you get free water. Cool.

After, you go in the kitchen and **GRACHOW** all the food into your **APPENDIX**. Your **APPENDIX** is so full it'll burst if you put anything else in it.

You equipped the **CHEESEBURGER FROM DANIEL's FRIDGE** into your hand and absolutely DESTROY it. Next, you go to **DANIEL's ROOM**. You let his pet rat, **GARY**, free. **GARY** runs fast. Then, **FLUFFERS** jumps on **GARY** and **GARY** suddenly disappears. And that's the **CIRCLE OF LIFE**. Or was that just a reference from a children's movie? Nobody knows.

DANIEL is working on a new invention in his **GRANDMA's BASEMENT**. You make a machine that can turn 10 people into chickens. Your **ARMY OF CHICKENS** will soon be complete. It's 4:55 and the contraption takes 5 minutes to fire. Perfect. After they are turned into chickens, they will go to your **GRANDMA's BAS- YOUR LAIR**.

4:46

BILL is playing on **DANIEL's SP5 CONSOLE**. The newest edition. He dies and has to wait 2 minutes to respawn.

4:48

You have learned you are very bad at that game. Time to get a snack.

4:49

You decide to draw a bit with your **MARKER** you found earlier. You take out the marker. You wonder what company made it. You check. It says "**BLOCK-ANY-TYPE-O-LASER-MARKER**. Must be a new brand.

4:50 You hold up your marker. When you do so, something stings your hand. The marker is gone, and a chicken has appeared. Has the marker turned into a chicken? That's crazy. You check the **SECURITY CAMERAS**. You put it in slow-motion. You see a blue-beam of light hit the marker, and a chicken appears, and then the marker disappears. You know exactly what this means...

SOMEONE DOESN'T WANT YOU TO DRAW!

You must track down the person who has stopped you from drawing your picture. It could also be someone trying to turn the world into chickens, but that doesn't make sense. You immediately try to track down the culprit.
