OutsidersBrainrot's Trading List!

(I'm very new to trading so advice, gifts, tips, and letting me know if i'm doing anything wrong is ALWAYS appreciated!)

CONTACT INFO: pandakittyk@gmail.com

ENCORA LIST: <https://encora.it/traders/outsidebrainrot/collection>

PLEASE READ BEFORE TRADING!

Simple Rules:

- ★ I Prefer Smaller Trades (3-4 per trade is my max as of right now :3)
- ★ All notes listed are taken from the Masters from Encora
- ★ I usually use Google Drive or MEGA! **All MEGA links I send are not mine**, they are **direct links from the people I've traded from (who gave permission to share them)**, so I recommend downloading the videos if that is the case! I am slowly but surely trying to download all my MEGA links to put onto Google Drive to ensure they will not be lost or deleted!
- ★ **I always keep and use the original links given to me by traders (unless specified from the trader not to share)** for everything I get, but upon request, like the link no longer works, I will happily provide you with a link to my copy!
- ★ **If you have any of my listed wanted audios I still do 2 audio = 1 video!** I don't take any audio that I don't have listed!
 - For all of my Korean media I go by the 4:1 ratio!
- ★ While I have a "looking for" list below, **I don't only take things listed there!** I will most likely be happy trading for anything I don't have yet (unless audios of course) :D

For Trade:

For some videos, I don't know the masters or entire cast (I list only who I know is in the boots for sure!), **If i ever get anything wrong please let me know asap!**

Excellent steady capture of this much-anticipated production at KenCen, almost no obstruction (just a bit of my sleeve visible for the first number until it was adjusted), brief blackouts only when house lights went up. Wider shots during ensemble numbers and spelling segments to see the speller, Rona, and Panch; closer zooms for individual focus. Includes curtain call. wandering and unfocusing. Includes highly obstructed curtain call, audio is fed from external source.

NOTES: Excellent 4K capture of a unique performance! In the scene before Oops!... a show stop was called and the cast change from Austin to Joe was announced (included in audio only). Most of the kisses in this performance were adjusted due to COVID. Some minor head obstruction on the bottom that only blocks off action at the very front of the stage, and occasionally increased obstruction when the person in front was shifting / leaning forward. Some wandering / readjustment and unfocusing throughout. Includes curtain call, audio is fed from external source. Michael was on for Brandon Antonio, Nico swung on for Joe.

Alice By Heart	Date: March, 2019 - Off-Broadway Video, mp4, 6.64GB, MEGA - Starcuffedjeans Molly Gordon (Alice Spencer/Alice), Colton Ryan b(Alfred Hallam/White Rabbit/March Hare), Wesley Taylor (Harold Pudding/Mad Hatter/Pigeon/Knave of Spades/Mock Mock Turtle), Noah Galvin (Dodgy/Duchess/Dodo/Mock Mock Mock Mock Turtle), Catherine Ricafort (Clarissa/Canary/Queen of Diamonds/Mock Mock Mock Turtle), Kim Blanck (Tabatha/Cheshire Cat/Caterpillar 2), Grace McLean (Red Cross Nurse/Queen of Hearts/Magpie), Heath Saunders (Angus/Caterpillar/Knave of Hearts), Andrew Kober (Dr Buttridge/King of Hearts/Duck/Jabberwocky/Mock Turtle), Mia DiLena, Zachary Downer NOTES: Really beautiful shot in an intimate space. Lots of zooms, but a good amount of wider shots too with a very limited (almost nonexistent) amount of heads. The lighting in this theater really liked my camera and I know the show almost “by heart” so I think I followed the action as well as possible. My battery died during the last song, but it starts at the very beginning with only one drop out during dialogue.

Does not include the post-bows song. Audio is patched in from an external source. Overall a wonderful capture.

They are the same capture its just the DVD Menu shows the capture date as 3-11-2011 while the poster at the beginning says 3-7-2011 A nice capture of this hilarious original show. A very solid and funny cast. Nikki does a fantastic job acting and vocally. On wide shots there can be heads on the sides, but nothing that really obstructs the action. During Broadway previews, less than a month before the official premiere. So there are differences from the Cast Recording. This was my first time recording and as a result, mistakes were made. Foolishly, I set the exposure to automatic so the recording suffered from spotlight washout (I haven't made this mistake since). The washout has mostly been fixed in editing as it's impossible to fully correct. The recording has more zooms than I would like to prevent further washout. Fortunately, this production is minimalistic and performance-focused so it doesn't hinder the overall experience of the show. The recording is mainly filmed in close-ups and mediums. A head is sometimes visible in the wide shots of the musical numbers. The recording includes the curtain call and marquee. The disc also includes around 100 minutes of interviews, B-Roll, behind-the-scenes, etc. Great video with nice pictures and clear sound.
Cats: The Jellicle Ball	Date: June 21st, 2024 - Off-Broadway Video, mp4, 10.03GB - bikinibottomday "Tempress" Chasity Moore (Grizabella), André De Shields (Old Deuteronomy), Junior LaBeija (Gus), Tara Lashan Clinkscales (u/s Bombalurina), Dudley Joseph Jr. (Munkustrap), Sydney James Harcourt (Rum Tum Tugger), Bebe Nicole Simpson (Demeter), Emma Sofia (Cassandra/Skimbleshanks), Garnet Williams (u/s Bustopher Jones), Jonathan Burke (Mungojerrie), Dava Huesca (Rumpleteazer), Shereen Pimentel (Jellylorum), Xavier Reyes (Jennyanydots), Robert "Silk" Mason (Mr. Mistoffelees), Antwayn Hopper (Macavity), Primo (Tumblebrutus), Teddy Wilson Jr. (Sillabub), Kendall Grayson Stroud (Electra), Baby Byrne (Victoria), Shelby Griswold (u/s Booth/Police Officer/Server), Frank Viveros (Booth/Police Officer/Server), Capital Kaos (DJ)

	NOTES: Excellent 4K capture of this much-anticipated production. Some action on the balconies or in the audience couldn't be captured, and because a lot of the staging uses the entire theatre, there are frequent wideshots. Some very minor obstruction in the top right that blocks off a tiny bit of action. Some moments of wandering and unfocusing. Includes curtain call, audio is fed from external source.
Chicago	Date: June 12th, 2022 - Broadway Video, mp4, MEGA - bikinibottomday Emma Pittman (Roxie Hart), Lana Gordon (Velma Kelly), Ryan Silverman (Billy Flynn), Evan Harrington (Amos Hart), Jennifer Holliday (Matron "Mama" Morton), Ryan Lowe (Mary Sunshine), Mary Claire King (Liz), Christine Cornish Smith (Hunyak), Rachel Schur (Annie), Brian O'Brien (Fred Casely), Celina Nightengale (June), Arian Keddell (Mona), Jessica Ernest (Go-To-Hell-Kitty), Barrett Martin (Sergeant Fogarty), Jeff Gorti (The Judge/Doctor), Denny Paschall (Aaron), Michael Scirrotto (Harry/The Jury), Jermaine R. Rembert (Martin Harrison), David Bushman (s/w Court Clerk/Bailiff) NOTES: Good 4K capture of Emma Pittman's very limited run as Roxie. There were several moments of blackouts, wandering, etc as ushers were active, primarily in scene transitions. There is also some minor obstruction in the form of a head at the bottom of the stage, and occasionally the master's covering. Spotlight washout is fairly frequent but rarely obscures a character's face. Includes curtain call and most of the entr'acte, audio is fed from external source.

Some beautiful moments in the show with the direction and simplicity spotlighting the story. A few blackouts in the first 5 minutes as clueless ushers fumbled around.
Come From Away	Date: November 5th, 2019 - West End Video and Audio, mp4, Google Drive - wheredidtherockgo Rachel Tucker (Beverley/Annette), David Thaxton (Kevin T./Garth), Clive Carter (Claude/Others), Harry Morrison (Oz/Others), Emma Salvo (Janice/Others), Jonathan Andrew Hume (Kevin J./Ali), Robert Hands (Nick/Doug), Helen Hobson (Diane/Others), Cat Simmons (Hannah/Others), Jenna Boyd (Beulah/Others), Jennifer Tierney (s/b Bonnie/Others), Nathanael Campbell (Bob/Others)

	NOTES: The bottom left of the video is slightly obstructed by a lighting rail. The master accidentally stops recording during 38 Planes but realizes right away so it's only missing a second or two. Some nice close-ups. Clive misses the cue for the first "Welcome to the Rock!" NOTES: If this is your first time watching Dear Evan Hansen, or if you are just a casual fan, this video may not make sense. The seat location for filming is not great and the video starts during "Waving Through a Window." This video is very much focused on Michael Lee Brown/Roman Banks/Ann Sanders. Act one up to ‘Sincerely, Me has quite a bit obstructed due to two heads, including parts of ‘For Forever, ‘Waving Through a Window, and a few other scenes. During and after ‘Sincerely Me, there are no more obstructions, just some very short moments of adjusting / wandering / unfocusing. Occasional shakiness, drifting, dropout etc from re-adjusting. Nice mix of wide and zooms. Note that due to the lighting of this show, there is more spotlight washout/graininess than my usual video quality. Some scenes are better lit than others. Some of the brighter scenes suffer from washout, and unfortunately, some of the hats can't be read during a few scenes, but there's zero obstruction. The action was only missed when the character came through the door a few times which was too far upstage (couldn't even see it from my seat). Very lively audience who were absolutely living for Josh and Andrew breaking character in Act 2.

The full show is filmed, including the standing ovation that Amber got before the performance even started, right up to the band exiting. Moderate obstruction from the box/bar, etc. Dropouts and shakiness during applause breaks, especially during all of the standing ovations that happened for Amber — what can I say? It was such an emotional night and I was more focused on being in the moment than getting a 4K video. However, what is captured is high quality, and is of a very memorable show. For transparency, some screenshots include the obstructed/less-than-HQ moments, so people know what they're purchasing/watching. NOTES: Excellent wide-shot phone boot from the mid-orchestra. The first minute and a half are overexposed, but it's fixed after a slight dropout. Zero obstruction except when a couple of people walk out during Build The Wall. Doubt Comes In is mostly dark, that scene is always hard to capture cuz it's so dark. Includes We Raise Our Cups.

Absolutely in love with this new cast. Amazing performances from all, but my favorite is definitely Phillip Boykin. He brings a completely new life to Hades. **Includes video, audio (tracked by Medium Observation and untracked), and cast board photo**

	NOTES: Excellent wide-shot phone video taken from the right Orchestra. Very few moments on the far left not captured (mostly Hermes narrating, and some of Yola dancing in Our Lady of the Underground). Doubt comes in is mostly black, unfortunately. Yaya's last show, Stephanie gives her bow to Yaya and flowers are given during We raise our cups. This cast is exceptional. The best I've ever seen this show in-person. Darren really did a stunning take on Hedwig with the deck stacked against him. Great performance, new vocals and filled his own set of high heels! A very worthy successor to JCM and thoroughly entertaining!

Hell's Kitchen	Date: April, 2024 - Broadway Video, mp4, 6.24GB, MEGA - Theatercouple14 Maleah Joi Moon (Ali), Shoshana Bean (Jersey), Kecia Lewis-Evans (Miss Liza Jane), Brandon Victor Dixon (Davis), Chris Lee (Knuck), Vanessa Ferguson (Tiny), Gianna Harris (u/s Jessica), Nyseli Vega (Millie), Chad Carstarphen (Ray), Rema Webb (Crystal), Jakeim Hart (Q), Lamont Walker II (Riq), Reid Clarke (Ensemble), Chloe Davis (Ensemble), Nico DeJesus (Ensemble), Timothy L. Edwards (Ensemble), David Guzman (Ensemble), Raechelle Manalo (Ensemble), Sarah Parker (Ensemble), Niki Saludez (Ensemble) NOTES: Not-so-great wide-shot phone boot from the front of the Mezz. Mostly unobstructed. One or two tiny scenes are cut off by the speakers/tech on the right side of the stage. Unfortunately, a lot of focusing issues throughout. Not great for a first-time watcher of the show, but nice to see some of the projections/choreography/staging. This show was a couple of days before opening night and the cast was all on their A game, and the audience was levitating. Thoroughly enjoyed the show and can't wait to go back and can't wait til other video masters get recordings of it. One of the best theater experiences I've had in years.
Hello Dolly!	Date: June 28th, 2017 - Fourth Broadway Revival Video, VOB, Google Drive - NYCG8R Donna Murphy (alt Dolly Gallagher Levi), David Hyde Pierce (Horace Vandergelder), Kate Baldwin (Irene Molloy), Gavin Creel (Cornelius Hackl), Taylor Trensch (Barnaby Tucker), Beanie Feldstein (Minnie Fay), Melanie Moore (Ermengarde), Will Burton (Ambrose Kemper), Jennifer Simard (Ernestina) NOTES: Excellent quality, however a vertical post on the left gets in the way occasionally, but is well filmed-around. A great capture of Donna in the role.

Moore (s/w Ensemble), Joshua Buscher (Ensemble), Marcus Cobb (Ensemble), Zachary Downer (Ensemble), Ryan Fitzgerald (Ensemble), Kendall LeShanti (Ensemble), Skye Mattox (Ensemble), Jason

	W. McCollum (Ensemble), JJ Niemann (Ensemble), Gabrielle Reid (Ensemble), Adam Roberts (Ensemble), Ben Roseberry (Ensemble), Chiara Trentalange (Ensemble), Lamont Walker II (Ensemble) NOTES: Filmed in 4K, released in 1080p and 4K. Filmed between a couple heads that occasionally got in the way when they leaned toward each other or when the guy lifted his arm to scratch his head - but rarely blocks significant action. A couple drop-outs when people nearby came in late or left early. Camera did not do well with one scene using a lot of blue light, but the rest of the show is beautifully filmed. Never to be sold except by master, never to be posted anywhere online.
Here Lies Love	Date: June 30th, 2023 - Broadway Video, mp4, 7GB, Google Drive - bikinibottomday Arielle Jacobs (Imelda), Jose Llana (Marcos), Conrad Ricamora (Ninoy Aquino), Melody Butiu (Estrella Cumpas), Moses Villarama (DJ), Reanne Acasio (Aurora Aquino), Timothy Matthew Flores (Aquino's Son), Jasmine Forsberg (Mary Luisa/Interviewer/Imelda's Inner Voice), Sarah Kay (TV Reporter), Julia Abueva (Dovie Beams), Kristina Doucette (Cory Aquino), Jeigh Madjus (Press Attaché), Geena Quintos (Ensemble), Shea Renne (Ensemble), Aaron Alcaraz (Ensemble), Nathan Angelo (Ensemble), Roy Flores (Ensemble) NOTES: Okay 4K capture of this part of a show. Due to the unconventional staging in this theatre, it is more or less impossible to not be at least a little obstructed no matter the view. Some of the action at the very front is cut off, and when needed, the screens are occasionally filmed instead of the stage. Increased wandering and unfocusing throughout. Blackouts or complete obstruction during the audience dance sequences (not that anything happens), and the first one runs a little longer into the song. Includes curtain call and encore sequence, audio is fed from an external source. Date: October, 2023 - Broadway Video, mp4, 3.39GB, MEGA - catherinewasamassivec Arielle Jacobs (Imelda), Jose Llana (Marcos), Conrad Ricamora (Ninoy Aquino), Melody Butiu (Estrella Cumpas), Moses Villarama (DJ), Vina Morales (Aurora Aquino), Shea Renne (u/s Mary Luisa), Sarah Kay (TV Reporter), Julia Abueva (Dovie Beams), Kristina Doucette (Cory Aquino), Jeigh Madjus (Press Attaché), Aaron Alcaraz (Ensemble), Nathan Angelo (Ensemble), Roy Flores (Ensemble), Timothy Matthew Flores (Ensemble), Geena Quintos (Ensemble) NOTES: Recorded from a stage-side mezzanine seat with camera glasses, with external audio added. Last 10 minutes are audio only. Footage is often glitchy (frames dropped), shaky, and washed out, so I wouldn't recommend

	this as “sit down and watch the full thing”, but it’s fun to skip through and see/recall the vibes of a very special show.

	NOTES: Good 4K capture of this stunning show! Most of the show is wide shot due to the dance focus in the show. Increased moments of wandering and unfocusing. Unfortunately some sequences are entirely unfocused due to the lighting and aren't fixed until a minute or two after. Minor head obstruction cuts off some action at the front of the stage. Includes curtain call, audio is fed from external source.

Minimal washout except for a few scenes that are super bright. Less than 3% of the show. No obstruction except heads on the very bottom of the stage, which only covers shoes in certain scenes. Slight unfocusing throughout in high-contrast scenes. Delightful mess-up when Eden drops one of the cookies during the Madeleine scene. An exceptional audience that appreciates this beautiful art that has become my favorite show this year. So sad it didn't last too long on Broadway, because it truly is a gem of a show.

NOTES: Includes the full show and the curtain call. There is some drifting in Act One, but it isn't as prevalent in Act Two. There are a lot of obstructions, but I was (mostly) able to film around them. The only part that was really blocked was Somewhere That's Green. Somewhere That's Green (Reprise) is the only majorly whitewashed part, but other than that it's not too much of an issue. Overall, it's a pretty decent capture of the show, considering it's my first video master.

Cristina Raé (Crystal), Khalifa White (Ronnnette), Aaron Arnell Harrington (Voice of Audrey II), Teddy Yudain (Audrey II Manipulation/Derelict), Eric Wright (Audrey II Manipulation), Chelsea Turbin (Audrey II Manipulation), Josh Daniel (Ensemble), Jana Djenne Jackson (Ensemble)

NOTES: Filmed in 4K semi-blindly, so many parts needed to be cropped down to 1080p in post-editing; external audio. Obstruction on the sides of the stage (e.g. when actors are at the stage right door, they cannot be seen at all). A few scenes were filmed a little too darkly, a few too bright, and a few zooms are a little sudden/jagged (sorry). Skylar Astins first performance as Seymour. A sold-out, very enthusiastic audience.

NOTES: Very beautiful video of this incredible cast. Jeff is an absolutely hilarious dentist and is not to be missed. Joy Woods is also here! Suddenly Seymour is wide shot due to usher activity. Overall a near perfect video of this revival.

NOTES: Great 4K capture of Joy's phenomenal performance as Audrey! A lot of Act Two is wide blindshot due to ushers, from the beginning of the act to the middle of Suppertime and most of Audreys final scene. Most action is still captured. Audio fed from external sources.

Corbin Bleu (Seymour), Constance Wu (Audrey), Bryce Pinkham (Orin/Others), Brad Oscar (Mr. Mushnik), Khadija Sankoh (Chiffon), Tiffany Reneé Thompson (Crystal), Camryn Hampton (u/s Ronnette), Aaron Arnell Harrington (Voice of Audrey II), Najah Hetsberger (Audrey II Manipulation), Weston Chandler Long (Audrey II Manipulation), Teddy Yudain (Derelict), Melissa Victor (u/s Ensemble), Jeff Sears (Ensemble)

	NOTES: Decent 4k video of Corbin and Constance about a week into their run, with excellent performances by them and the rest of the cast. Mostly wide shots and mediums with a few close-ups. Lots of heads show up in frame from time to time and sometimes block action, particularly on the left. Some spotlight washouts from time to time, and minor issues with focusing throughout. Due to memory card issues, from the middle of Skid Row to the middle of Grow For Me is missing, audio has been fed in from an external source. Very kindly edited by the incredible Medium Observation. This happened because I forgot to set my audio at sweeney earlier in the day. Will I ever do this again? absolutely not. Act 1 shot from the balcony so the bar obstructs the bottom of the stage. Act 2 shot from the mezzanine so no stage obstructions at all. Good clear picture and sound.

NOTES: Great HD capture of English's and Sarah's first show together. It is filmed in 16:9 from the center mezzanine with a mix of wides, mediums, and many closeups. The video starts during Stupid With Love scene. Audio is included from the camera but you can not see the stage. There's a mezzanine wall that sometimes gets in the bottom of the shot but for the most part there are no head obstructions or washouts at all. The cast were exceptionally high energy and there were a few minor incidents like the pink shirt getting stuck and the Revenge Party dress falling apart.

NOTES: Daryl's Johnny Debut!!! Such a special night with the whole cast being excited for him and his mom surprising him by being there in the Ponyboy seat. Some lines were jumped or flubbed, I assume because of the craziness of the night with the split tracks since Brill was omitted, but it was still a great performance regardless. Please don't post this on TikTok, Twitter, Tumblr, or Instagram.

My Personal Note: Since Brill's character didn't exist during this show it led to a lyric change in Justice for Tulsa - "a fight that's four on two".

NOTES: Taken from the standing room so you might hear some shuffling or the ushers talking. In *Runs in the Family*, if you hear Brent say did you break it that's because Jason tripped on his way in with Tilly and they fell onto the tire. There's not a single face that can be seen clearly, even in the occasional zooms, and the audio can be muffled at times. There's a constant low hiss sound that can be heard but if you do love

	the show, this is still an interesting video to have. Likely mislabeled date, as Michael McElroy and Sherie Rene Scott joined the company in July, 1997, which is also likely why the cast has been misidentified for many years. Shot over and around one very annoying head, which obstructs the action quite often, and there are moments of blind shooting where the camera focuses on the wrong thing. But when I managed to get closeups, they can be quite nice. Moderate washout in wideshots. Due to the nature of the production taking place in the round, some moments are not captured from the clearest angle. Audio of the intermission music performed by the cast is captured, though video is not. As a general warning, the video contains moments of intense strobing lights: rough timestamps (07:15-09:00), (46:45-47:45), (1:04:45-1:05:30).

The scene explaining Excalibur has a 30 second blackout. There is minor head / railing obstruction on the bottom that doesn't block much action. Wandering / readjustment and unfocusing throughout. For privacy reasons, the audio containing an audience member's full name is cut. Washout on the wider shots. Includes curtain call, audio is fed from external source.

Some action was missed when actors were immediately beside Filmer or behind, but I'd say that's less than 7% of the video. Outstanding performances from everyone, as usual. Small obstructions occur at Joes table (but who cares) and during Negative. The rest of show, however, is captured gorgeously (and this time not diagonally). The video is very Shoshana focused, but I try to give everyone (yes, Jeremy too) their moments. Very well captured with no dropouts, no obstruction, and no washout. The stage is filmed directly most of the time; the screens are occasionally filmed, usually when the actors are not onstage. It's filmed in 16:9, with a mix of wides, mediums, and close-ups. The sound is excellent. Includes curtain call and playbill scans.
Wicked	Date: January 9th, 2004 - Broadway Video, VOB, Google Drive - Unknown Idina Menzel (Elphaba), Kristin Chenoweth (Glinda), Taye Diggs (t/r Fiyero), Joel Grey (The Wizard), Carole Shelley (Madame Morrible), Michelle Federer (Nessarose), Christopher Fitzgerald (Boq), William Youmans (Doctor Dillamond) NOTES: Restored to the original PAL, though not without a hit from the gen loss incurred along the way. Audio has been filtered to remove the camera noise and excess hiss from the theater. Image is on the shaky side, and the camera has a hard time locking into focus combined with being out of sync with the US lights leading to a constant flicker. A pity because its a strong performance by the original cast during the show's ascent. Sometimes mislabeled as September 1, 2004; Taye was only in the show from December 22 2003 - January 18 2004 while Norbert Leo Butz was out due to a back injury. The audio circulating as January 8th, 2004 is ripped from this video, although the January 8th audio is better quality. It was also supposed to be Joel Grey's last show, but he was ill. Video is sound only for the first 4 minutes, and the last 30 seconds of Defying Gravity. This is a great video with excellent sound.
