Abstract (12pt, Italic, Bold)

The abstract is written in italic English or Arabic with a maximum of 250 words. The abstract should be a single paragraph that briefly describes the purpose of the study, method(s), results and discussion, conclusion and significance of the study. The abstract is clearly described as the core of the study.

(12pt, Italic)

Keywords (12pt, Italic, Bold): consist of 3 to 5 important words chosen to reflect the concept of the article and to help access to searches on the Internet ***(12pt, Italic)***

Introduction (12pt, Bold)

The introduction is written between 900 – 100 words. This part provides the background of the study and provides the significance of the study. A brief description of the theory used in this research should be explained in this section. It is containing the previous research to show the gap analysis and the author's position in this study. It must also give state of the art and it must point out the research questions.

In this part, the author(s) should use references (quotations) to support the argumentation. It should use APA style sixth edition and are expected to use reference managers such as Mendeley, Zotero, and those kinds of thing.

(12 pt)

Method (12pt, Bold)

This is written between 600 – 700 words. In this section, the author(s) has to mention the method and the approach used in this study. It should explain the details of research procedures; design of the study; data collection; and data analysis.

(12pt)

Results and Discussions (12pt, Bold)

Contains about 4200 – 4900 words. This section shows the results of the study and deep analysis or discussion which answer the research questions. Also, the author(s)

must discuss the findings by strengthening the reason with supporting details taken from any references such as scientific journal, book, and other reliable sources
(12pt)

Conclusion (12pt, Bold)

It contains about 300 – 350 word, concluding paragraph and provides the implication, limitation, and suggestion for further study **(12pt)**

Reference (12pt, Bold)

The References must consist of all sources cited in the article. All the sources should be under 10 years from its publication unless historical study. Sixty per cent (60%) of the references should be taken from the journal article.

Follow the styles shown in the examples below for the journal article, specific chapters in books, and books, respectively:

Achilov, D., & Sen, S. (2017). Got political Islam? Are politically moderate Muslims different from radicals? *International Political Science Review*, 38(5), 608–624. <https://doi.org/10.1177/0192512116641940>

Sardar, Z., Serra, J., & Jordan, S. (2019). *Muslim Societies in Postnormal Times: Foresights for Trends, Emerging Issues and Scenarios*. International Institute of Islamic Thought. <https://doi.org/10.2307/j.ctv10kmcpb>

Winter, C. (2020). *Making Sense of Jihadi Stratcom*. 13(1), 10.

(12pt)

Tables and Figure

Tables and figures in the article are numbered consecutively using Arabic numerals (1, 2, 3, so on) and written with caption and source of the figure and table. The table captions are written above the table **(12pt, Bold, Centered)**, while the figure captions below the figure (12pt). Ex:

**Table 1:
Distribution of Study Population**

S/N	Name of the University	Total number
1	University A	1
2	University B	2
3	University C	3
Total		6
