Script:

Part1: (Instrumental) It shows Firestar giving Squirrelpaw and Leafpaw their apprentice names, The cats seem to shout louder for her sister and are more excited for a Warrior than a medicine cat. The flower wilts slightly.

Part2: (Instrumental) Cinderpelt is out with leafpaw looking around the forest for herbs, Leafpaw picks up a bundle of plants and turns to her mentor who gives a proud smile causing the flower to return to its full healthy state

Part3:(Instrumental) Squirrelpaw and Shrewpaw playing in a way implying Shrewpaws crush on Squilf , to Leaf watching Flower wilted slightly, Flashes to Leafpool getting her full warrior name Flower in full bloom sparkling, to standing with Crowfeather He gives her a confused look and the Flower glows sparkling- I Same as before but them running from the clans. This next part is the chunk you would animate) she walks into the makeshift camp during the great journey, She is carrying Holy,jay, and lionkit with Squilf helping, as she

takes them to Brambleclaw Leafpool fakes a smile as the flower turns brown withering completely

Part4:

(I wanna be like you I wanna say that I can)

Leafpool walks into the nursery with a bundle of herbs Ferncloud and Squilf smiling as the kits play. The Flower is still mostly withered but has a little visible life

(I wanna be the person that you think that i am)

Holly and Lion kit run up in excitement greeting what they believe to be their aunt she smiles softly and greets them as well

Part 5:

(But even if i had it all come true like a dream)
Leafpool walks out of the den on (Like a dream)
A flash of her with Crowfeather and the kits raising them as there own
(Is the person I came to be the really real me?)
It fades back to her, surprised as a petal of the flower drifts to her paws tears gathering in her eyes but never falling.

Part 6: Kora_Warrior cats

(So young and simple wishing like things would come true)

It shows her mentoring Hollypaw, the apprentice smiling up at her causing Leafpool to smile back the flower gaining life even showing the petal starting to return.

(Now as I am i understand its best I die and soon)

Hollyleaf is hissing and presenting the deathberries full of rage, Leafpool looks back tears gathering before falling quickly Flower quickly wilting and dying

Part 7:

(Just by living im Hurting them another day)

Leafpool Watches as Lionblaze,Jayfeather, and Brambleclaw(Only with Squilf) Are aggressive with Squilf and dismissive with her Flower the same as in the last Part.

(Hundreds cry all i do is ruin everything)

Show Squilf **after** desperately trying to address one of the three cats, turning away and bursting into tears as she walks past leafpool flopping in her nest a sobbing wreck Leafpool

watching her sister as one of the dead petals fluters to the ground

Part 8:

(Nobody wanted me no one there to need)

Whitewing hobbles past with some stomach pains Leafpool goes to call out to help her when jayfeather takes her into the med cat den

(If only i could live in the type of world I dreamed)

Leafpools face drops as she walks back into the warriors den with Squilf laying next to her on 'I dreamed' It shows how they were before the

fire, now wishing for that lonely normality over the hostility

Part 9:

(Just by leaving im helping them another day)

the colors are a bit lighter as it shows her right before the great journey still pregnant with a confused expression when Crowfeather lightly nudges her with a concerned expression she looks up at him eyes sparkling

(Hundreds smile all they do is laugh at everything)

The flower immediately grows to full health as she places her paw on his stomach asking him

to run away with her which he agrees to both smiling Leafpool with tears of joy as it fades to white

Part 10:

(Nobody there to scream no one being mean but see)

Show her after the kits are born,them in a secluded safe area Crow and Leaf being lovey dovey as the kits play happily.

(Things like that would never happen for me!)

Leafpool wakes up in the warriors den, her flower while not fully bloomed had gained a

little bit of life but as she looks around realizing where she is the life drains from it

Part 11:

(Instrumental)

Leafpool walks in the forest with Dovepaw finding Lionblaze and Breezepelt fighting over a thrush, Crowfeather and Nightcloud simply watching enraging Leafpool getting in crowfeathers face and shouting at him for letting his sons fight causing Nightcloud to hiss at her aggressively. A small amount of life coming back to the flower as her loneliness is

forgotten temporarily in the heat of the moment

Part 12:

(Instrumental)

Leafpool shows annoyance at the two parents before going and trying to break up the fight resulting in Breezepelt attacking her wounding her flank, Crowfeather in a sudden rush of protectiveness for his past mate drags his son off of her causing nightcloud to snap at him enraged, But the main focus after he drags Breezepelt off should be Leafpool, some more life returning to the flower making it seem only

slightly wilted as she realizes crowfeather still cares for her.

Part 13:

(Day after day I found my way sleepwalking through)

Show Leafpool walking head low obviously upset and exhausted, in the back are memories of her failing at hunting, and fighting, and looking at the medicine cat den longingly as Jayfeather struggles Flower wilted.

Part 14:

(Like this i'll fade without a trace its for the best I do)

She walks into a warrior den curling up in a nest with a melancholy expression tail tip twitching a petal falling off she looks at it with a sigh

Part 15:

(Just by living im nothing for another day)

Sandstorm is coughing and visibly ill, Leafpool in visible distress saying they need to get herbs,

(Hundred lives never knowing me or anything)

Jayfeather shuts her down saying he needs someone to guard the herbs so leafpool wont steal them she is visibly offended another petal falling. (So two petals are missing)

Part 16:

(Nobody wanting me no one there to need)

Leafpool returns from a hunting patrol attention gained by Jayfeather and Millie shouting at eachother Briarlight watching upset in the background.

(Why would I want to live in the kind of world I see?)

Leafpool walks over taking Jayfeathers side and trying to soothe the mother when Jayfeather turns aggressive walking into the medicine cat den to sit with briarlight but focus is on Leafpool looking hurt a third petal falling to the ground

Part 17:

(Just by leaving im nothing for another day) Hollyleaf returns Leafpool running up to her overjoyed with happy tears but Hollyleaf ducks away with an awkward expression.

(Hundred lives never changing them or anything)

Leafpool only appears miffed for a moment watching Hollyleaf walk away to speak with jayfeather, she still gives a smile just relieved her daughter is alive as life returns to the final petal

Part 18:

(Nobody there to scream no one being mean to me)

Leafpool and Lionblaze are on a patrol (In the back so you don't have to draw background cats the entire time) He has a vulnerable expression asking her about Cinderheart and

his love life, Leafpool gains another petal and, tells him that Cinderheart does love him.

(Then could i have it all back in one piece?)

He asks why starclan let Leafpool be with crowfeather. She gives him a sad look and tells him to follow his heart walking ahead of him

Part 19:

(In the end we fall to the ground again)

The three have Firestar, Leafpool, Squilf, and brambleclaw rounded up.

(over and over and never get up)

Be creative with portraying that the three are apart of a prophecy

Part 20:

(In the end the person they made of me)

Brambleclaw looks Furious turning and yelling at Squilf, Leafpool looking furious (or cold) to the tabby

(Breaking and Breaking and Never pick up)

She defends her sister angrily Lionblaze looking to her in realization standing next to her causing another petal to grow (Only missing 2)

Part 21:

(In the end were leaving it all again)

Jayfeather is working on herbs Leafpool walks over cautiously with a offer to help

(Over and over and never wake up)
He agrees and she looks surprised, He motions for her to sit next to him another petal growing as she sits to help him

Part 22:

(Instrumental):

Leafpool is crying over Hollyleaf's body who smiles up to her calling her mom causing the last petal to grow

(Just by living i'm bringing you another day)

She is standing next to crowfeather both looking sad he says something causing her to

look up with wide teary eyes flower wilting lightly

Part 23:

(Why just for me can you smile after everything?)

He smiles sadly and presses his forehead against hers saying he didn't regret anything, her smiling sadly as well life returning to the flower

(In the end the smile you give to me)

He leaves and she looks to Highrock Squilf with Bramblestar

Part 24:

(Right when I wanted to give it all up)
She is smiling and speaking with Mothwing while collecting catmint from the river
(Jayfeather is there to)

(And i really do wish that i didn't and all of the moments i tried to just die,said goodbye)
Show her in starclan with Jayfeather and Willowshine when Firestar walks over she gets

up and touches nose's with him causing the screen to go white

Part 25:

(Just by leaving im no one for another day)

Squilf and leaf run into the sisters den speaking of the cats coming to attack and Moonlight and the two she cats run into a tunnel.

(Hundred lives never changing them or anything)

The tunnel crumbles around the she cats (Squilf closest to the entrance) leafpool closes

her eyes to brace for the pain and she opens her eyes to reveal she is in starclan with Squilf

Part 26:

(Somebody here to scream someone here is stopping me)

Bluestar, Yellowfang,Tallstar,Crookedstar, Moth Flight, and Littlecloud are sitting there glaring as the two sisters look unnerved

(Why can't I laugh it off the way that I dreamed? Instrumental)

leafpool shouts and one of the cats nods and they all fade away Leafpools outline becoming white as the screen fades to black. Squilfs paw comes into view passed out with Leafpools flower in her paw Leafstar and fecklewish next to the she cat, at the same time her eyes open the Flower fades away.
