

Privacy Policy for Color Flow

Last Updated: June 2026

Thank you for using Color Flow.

This Privacy Policy explains how information may be collected, used, and protected when you use the Color Flow mobile application ("the App").

Information We Collect

Color Flow does not require users to create an account and does not intentionally collect personal information such as:

- Full name
- Address
- Phone number
- Email address

However, certain information may be collected automatically by third-party services used by the App.

This information may include:

- Device type
- Operating system version
- Language settings
- App performance data
- Crash reports
- Advertising identifiers (if advertising is enabled)

Analytics and Performance Monitoring

The App may use analytics and diagnostic tools to:

- Improve gameplay experience
- Fix bugs and crashes
- Monitor application performance
- Understand general usage patterns

The collected information is used only to improve the App and does not personally identify users.

Advertising

Color Flow may display advertisements through third-party advertising providers.

Advertising partners may use advertising identifiers and similar technologies to:

- Display advertisements
- Measure advertising effectiveness
- Prevent fraud and abuse

The App does not control how third-party advertising services collect or process data.

Children's Privacy

Color Flow is intended for a general audience.

The App does not knowingly collect personal information from children.

If you believe that a child has provided personal information through the App, please contact us and appropriate steps will be taken to remove such information.

Data Security

Reasonable technical and organizational measures are used to protect information collected through the App.

However, no method of electronic transmission or storage is completely secure, and absolute security cannot be guaranteed.

Third-Party Services

The App may use third-party services, including but not limited to:

- Google Play Services
- Google AdMob
- Firebase Analytics
- Firebase Crashlytics

These services operate under their own privacy policies.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time.

Any changes will be posted on this page, and the updated version will become effective immediately after publication.
