VILLAGE VOICES

A Voice for Every Person, Home to Every Heart
FALL FEATURE: Fresh Start Fashion
with Marcus
When Marcus first moved to LA upon getting accepted to FIDEM
Fashion Institute, his main dream was to create a clothing line and work
in fashion. As stress in life surrounding acceptance and identity
surfaced, he found himself on the streets overwhelmed by challenges.
After years in tents, Tiny Homes took him in. Together, we visited **Hope
of the Valley Thrift Store** in Granada Hills where he put together some
outfit ideas to offer others experiencing homelessness fashion tips for
different situations like dressing for a job interview or for a reunion with
family and friends in repairing relationships.

Here are some of his Fresh Start Fashion suggestions:
