

Dear Parents / Whaanau

A quick update re the Amazing Race tomorrow, **Wednesday 23<sup>rd</sup> October**.

Registrations open early tomorrow morning, so we would like to have all students here at school by 8.00am so we can aim to leave by 8.15am. That should give us enough time to travel, park and register before the event briefing begins at 9.15am.

The weather isn't looking too good at the moment, but the event organisers tell me that they prefer to go ahead regardless, unless absolutely necessary. This means that your child will need to wear warm clothing and that a waterproof jacket is essential. Please make sure your child is also wearing appropriate covered footwear such as sneakers or running shoes.

**EACH TEAM MEMBER WILL NEED IN THEIR BAG:**

- A healthy lunch, snacks and a water bottle (with water in it – no sugary drinks please!)
- A waterproof jacket in case of bad weather
- School hat
- Comfortable, covered shoes suitable for physical activities
- A positive, energetic and enthusiastic attitude

The teams are allowed to dress up and so to keep it easy, we are going for colourful. Any brightly coloured clothing is acceptable, along with accessories such as tutus, over-sized sunglasses, suspenders, leis, headbands/bows/ribbons etc.

Please let me know if you have any questions – it looks like it will be a great day!

Regards

Kirsty
