

# TRUFFY FEST

## ☀️ 🌙 ★+ BASIC INFORMATION +★ 🌙 ☀️

We bring you an anonymous prompt-based Law & Luffy event designed so that all fans can participate!

What makes this different from other prompt-based events:

1. Anyone can submit prompts, whether you plan to create for this event or not.
2. The fest will be anonymous to add some anticipation and fun to the event!

There are three main parts to this fest:

1. Prompting
2. Claiming
3. Posting, zine, then reveals!

Here's the basic gist—submit as many prompts/ideas as you want, and those prompts will be posted for everyone to see in a neat list. If inspired by a certain prompt, you can then claim it when the claiming period starts on a first-come-first-serve basis, and voila—you start creating!

Since this is an anonymous fest, we as the mods will post the lovely content bit by bit everyday, and at the very end, we will do a big reveal of all the amazing creators! At this point, everyone is free to discuss, post, and share their creations as they like—in fact, we encourage it!

Still confused? Below is general information about the prompting and claiming process to hopefully help you understand how this fest works. [More detailed guidelines can be found HERE.](#)

### ☀️★+ **Prompting:**

You may submit named or anonymous prompts, whether you're planning on creating a work for the fest or not. Anyone can prompt! Once you submit a prompt, it's up for grabs for anyone to claim.

We also allow self prompting, if you have an idea that you want to create. There will be an option for this when claiming begins.

### **How it works:**

When the prompting period starts, we will post links to a form that you can submit your prompt(s) to, as well as the prompts list. Shown below is an example of what filling out the form would look like.

## Truffy Fest 2022 Prompting Form

Please use a separate form for each submission.

Ship Dynamic \*

Note: Switch refers to both dynamics.

The submitted prompt will then show up in the prompt list. Shown below is an example of how the prompts will look in the list. As you can see, the prompt from the example shows up at the bottom. Each prompt has a number assigned to them in the top left corner, which is how they can be claimed later on.

Although this option is not available on mobile, on PC you can sort or filter prompts by certain categories as shown below.

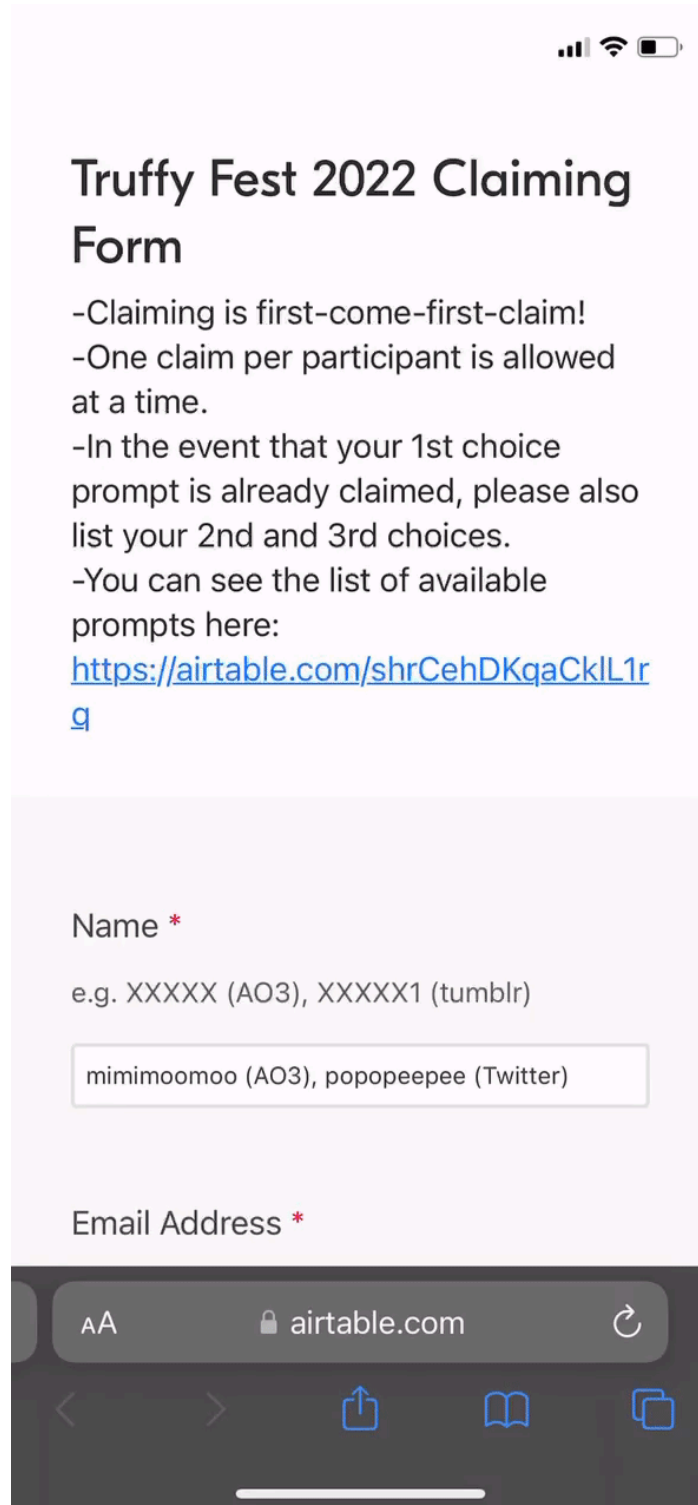

## » ★<sup>+</sup> **Claiming:**

When the claiming period starts, the link to a claiming form will be provided.

Prompts will be awarded on a first come first served basis.

The form will ask for your top three prompts in order of preference, (e.g. your top prompt as prompt choice 1, second choice as prompt choice 2, etc). This is in case your first choice has

already been claimed. Shown below is an example of what filling out the claiming form would look like.

The image is a screenshot of a mobile phone screen displaying a web form titled "Truffy Fest 2022 Claiming Form". At the top right of the screen, there are status icons for cellular signal, Wi-Fi, and battery. The form itself has a light pink background. It contains a list of instructions: "-Claiming is first-come-first-claim!", "-One claim per participant is allowed at a time.", "-In the event that your 1st choice prompt is already claimed, please also list your 2nd and 3rd choices.", and "-You can see the list of available prompts here:". Below the instructions is a blue hyperlink: <https://airtable.com/shrCehDKgaCkIL1rq>. The form then transitions to a white background for the input fields. The first field is labeled "Name \*" in black text, with a red asterisk indicating it is required. Below the label is a hint text: "e.g. XXXXX (AO3), XXXXX1 (tumblr)". The input box contains the text "mimimoomoo (AO3), popopeepee (Twitter)". The second field is labeled "Email Address \*" in black text, also with a red asterisk. At the bottom of the screen, there is a dark grey mobile browser interface. It shows a tab labeled "AA", a lock icon, the address "airtable.com", and a refresh icon. Below the address bar are three icons: a back arrow, a share icon, and a bookmark icon. A white horizontal line is visible at the very bottom of the screen.

Thus, if mimimoomoo is successful in getting their first choice, prompt #3, shown below is what the prompt will look like in the prompt list afterwards.

The image shows a screenshot of a web interface titled "Truffy Fest 2022 Prompt List" with a "Sign up" link. The interface displays a prompt card for "3 - Claimed for Fic (Available for ...)". The card contains the following information:
