WEEKLY HOROSCOPES

OUR GUIDE TO YOUR NEXT SEVEN DAYS!

PISCES

19th February to 20th March

The beginning of the week will be hard for you. You won't have fun at school; you will argue with someone (maybe your best friend), and you will fail something – a Maths test, perhaps. On Wednesday, you will have a small cycling accident. But don't worry, you'll be OK! On Thursday, you will do something nice with your best friend, and on Friday you will receive a call that will make you very happy! You will see lots of friends at an event on Saturday. On Sunday, you'll win a wonderful prize.
