Meet Program

Saunders Montague, of Gilbert passed away on August 5, 2012 he was 54 years old. Saunders was a loving husband and father. He coached all of his kids' sports teams through their early years, and then supported them as they continued their athletic careers. His athletic career began at Dysart High School where he excelled at basketball, football, and track, and was Student Body President. He went on to play football at University of Wyoming from 1976 – 1980. He was a man of faith and had a great love for his family. He was a

leader both on the field and off. Saunders has always had a heart for helping troubled youth. His career began at Arizona Boys Ranch, where he had an impact on many lives for over 20 years. He moved on to Chandler School District, where he served at Hamilton High School, Basha High School, and most recently, as principal at Chief Hill Academy. Active in the church and his community, he co founded SBS, a basketball ministry for young men, more than 10 years ago. For many years he was the starter at all of our meets. He always kept our meets running smoothly and efficiently all the while being kind and helpful to the athletes. He was such a pleasure to work with, we wanted to honor him by naming the

Desert Classic after him. Saunders' life has touched so many in so many different ways, he will be dearly missed, but will remain in our hearts forever.
