

Nicky's Mass List of Ships

Note: Some of these are romantic, sexual, platonic, queer-platonic, agere/cg, exes, etc. I don't have the energy to mark which ones are which. Any ships with two characters that are minors are ONLY platonic and/or romantic, not sexual. I apologize if there are any repeats, I'm only human. This list may grow as time goes on because I'm sure I still missed a few. Enjoy!!
