BHVDA Uniform

All uniforms and shoes can be purchased at www.dancewearconnection.co.nz or energetiks.com.au.
All embroidered merch can be purchased through Dancewear Connection. I highly recommend getting all uniforms and shoes fitted with Nici in store. Dance shoe sizing is different from street shoes and a well fitting shoe is so important for healthy feet!

Why is it important?
Uniforms are important for many reasons, including safety, comfort, and discipline. They can also help dancers feel part of a community, and promote equality and respect.

Safety
Reduce tripping: Uniforms can help prevent tripping over loose clothing or other materials
Proper posture: Uniforms help teachers see a dancer's alignment, which helps them correct posture
Correctly fitting shoes: Shoes that fit well allow dancers to use their feet properly and avoid tripping

Comfort
Breathable fabric: Our uniforms are made from breathable, sweat-wicking fabrics that help dancers maintain a comfortable temperature
Mobility: Uniforms allow for a full range of motion

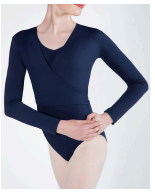

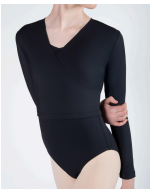

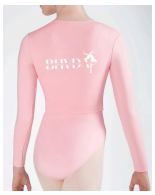

Discipline
Preparation: Wearing a uniform shows commitment to the learning process SSSSS
Respect: Wearing a uniform shows respect for the teacher, the dance style, and the classroom environment
Focus: Uniforms help dancers focus on their movements and avoid distractions

Sense of belonging
Unity: Uniforms create a sense of unity and belonging within the dance community
Teamwork: Uniforms encourage students to work together

Embroidered Merch
Teamwear and class warm ups are a fun way to show off our dance family and are available in various styles and colours. These items are not required.

Hip-Hop - Girls

All Levels: Energetiks Parker (CAT35/AAT35) tee in black and embroidered with BHVDA logo, Energetiks Clea (CT20/AT20) bike shorts in black, any brand crew length socks in black or white, and any brand sneaker style street shoe in black or white. Shoes need to be well fitted so they don't come off. No slides/scuffs. I highly recommend getting dance dance sneakers such as Bloch Kix or Bailaz, as they have specialized soles for dance that make turning, sliding safer on knees. However any sneaker style street shoe is totally fine!

Hip-Hop - Boys

All Levels: Energetiks Parker (CAT35/AAT35) tee in black and embroidered with BHVDA logo, Energetiks Vance (CAS25/AAS25) shorts in black, any brand crew length socks in black or white, and any brand sneaker style street shoe in black or white.
