

**Michelle Z. | Columbia, Missouri**

**2013 Missouri & Kansas Affiliate Award Winner**

**Rock Bridge High School**

Michelle has always been interested in the combination of computer science and art. She enjoys the challenge of programming and graphic design. While this is her first year enrolled in computer science oriented classes, Michelle is planning to continue her study throughout college. While outside the computer lab, Michelle enjoys drawing, playing piano, and reading. She has won several county, state and national recognitions for her art and piano.
