

FINANCIAL ASSISTANCE FOR DISNEYLAND TRIP

Our heart is that financial hardship should never be cause for a student being unable to attend a trip with the church. We are committed to coming alongside your family and providing support in affording this trip.

At the time of registration, a deposit of \$100 will be required. If this deposit poses a difficult financial hardship, please wait to register your student or email one of the associate directors (contact information can be found at the bottom of this document).

OPTIONS FOR FINANCING YOUR DISNEY TRIP

★ *'NEW FRIEND' INITIATIVE*

A group of generous people from our church family have funded an endowment that is meant to support students in their outreach to friends that are not currently participating in church or youth group. If your student has a friend that isn't already involved in a church or youth group, encourage them to invite that friend to Disneyland!

If your student invites a new friend:

- 1) Their friend goes for simply the **\$100 deposit**
- 2) Your student gets **\$100 off** of their camp balance

When you register your student, list the name of the new friend in the appropriate section. Once both students are registered, the discount will be applied to your student's balance.

OTHER WAYS TO RAISE MONEY

- Send a fundraising email or letter to friends and family. Have your student personalize it and share why they want to go on this trip!
- Have a lemonade stand
- Sell candy at school (if your school allows it)
- Host a garage sale
- Ask neighbors or friends if they need help with chores, etc
- Ask for \$\$ towards the road trip for an early birthday or Christmas present
