=====

anna 2 (NOTE: as of 0.9a, this is an important event/story fork leading to different scenes):

#send her (the gabi 3 scene happens when you get back to nick's apt, then go to anna's place. NO ALICE CONTENT)

#how about you (you SKIP the gabi scene, go to anna's place directly, go to vasyil's bar, come back to nick's apt, THEN THE ALICE CONTENT TRIGGERS)

=====

gabi 3 sex in nicks apt:

#follow me lust2 (it shows lust +1 during the bedroom fuck but actual increase is lust +2)

#bend over

#fuck her

#you can go dom4 (skips doggy h scene)

=====

anna 3:

#i don't care

#it's hot lust1

=====

(as mentioned above, this content only triggers if you choose "how about you" during the anna 2 scene, thereby skipping the gabi 3 scene)

alice 1 + POSSIBLE catherine 1 (GETTING CATHERINE'S CONTENT REQUIRES INTERACTING WITH ALICE BUT SKIPS THE ALICE SEX SCENE)

there are no stat gains here but there is an event fork setting up either alice or catherine as a future lover. trigger this scene by coming back from vasyil's bar and interacting with your bedroom door. then the phone rings and alice tells nick to come over. after some dialogue and alice leaving nick in her room to take a shower, he can either:

a) sit in a chair in alice's room and wait for her, which leads to an alice h-scene but you DONT MEET catherine.

b) enter catherine's room, try to steal her necklace and get introduced to her as she catches you in the act. this SKIPS the alice h-scene but introduces you to catherine and sets up future h-scenes with her (only 1 in game as of v1.1). to do this, get nick out of alice's room after she repairs to her washroom. you enter a hallway. enter the door on the right side of the other end of the hallway. you enter the foyer. enter the door at the other end of the balcony and you've come to catherine's room. click on the necklace to take it, catherine comes in. after some dialogue you get three choices:

#deal (you get the necklace and go back to nick's apt, cath doesnt ask for your number for future interactions)

#no (you dont get the necklace and go back to nick's apt)

#negotiate for more (get the necklace, cath asks for your number so you can hook up, go back to nick's apt)

(these are just different options, hence no #s. ALSO REMEMBER TO TALK TO JOHNNY WHO IS ALSO THERE WITH TANYA, REQUIRED FOR NICOLE'S FIND OUT ABOUT BORIS QUEST)

=====

vasyl 1 ---> katja 1: (exit the bar and talk to vasyi by the entrance. he gives you a quest to deliver upkeep money to family of dead gang members, can lead to sex scene with katja who's one of those ppl)

#boris and boys (this isn't required for nicole's quest but it leads to vasyi tasking you with delivering money)

##yes (starts quest)

##i can't (locks you outta quest)

(you get 3 envelopes in your inventory, click on the car and you'll be taken back in front of nick's apt, then click on the car again and you will see "CASH DELIVERY" locations on the map. the one called "CASH DELIVERY +100" is katja's place, where you choose to either fuck her OR take 100\$)

#thank you
#give her necklace lust3

(after you bring her the pie. for the pie, ask nancy from the diner about it then go to the corresponding location on map)

tanya 2 maya 1 ('get me a drink', leads to sex with maya)

(to get this scene go to vasyi's bar to tell nicole about boris but she won't be there and vasyi tells you to come back next day. ALSO AT VASYI'S BAR YOU CAN FIND \$120 ON THE SAFE IN THE BACK ROOM AGAIN)

(talk with tanya and ask for a drink. no stat changes or scene variations for any of the options except for the ones that end the scene. you do however lose \$300 if you go to the party with them)

#i cant (end)

#fine (continue)

#ask tanya if she wants to go (-300 money)

#ask maya to promise you a good time (-300 money)

(just yes no choices and also you lose \$50 for real this time)

=====

jen 5 talking about watching porn together (do this before going to talk with nicole the next day after jen4)

#if you want to love1
#you dont want to lust1
#its just work dom1

=====

anna 9 invites you to her place CHECK lust>=8 (sex scene later on) (do this before the nicole thing)

#would love that love1
#what for dessert lust1
#no dom1

(saying no skips sex later on)

=====

mery 1 clean office at hotel/brothel (do this before the nicole thing)

(this is a fork of some kind, basically you get a bj and max dom with her after talking with nicole and visiting joe IF YOU LET HER CLEAN the office room. IF YOU CLEAN IT YOURSELF you're gonna find some secret file on nicole that you can presumably use to dom her later in the story, but the bj with mery won't happen)

=====

nicole 3 talking about boris

(you get love1 passively from the dialogues)

#for me yes love1
#she had a choice lust1

(if boris fucked gina you get lust1 otherwise love1)

#tell her about business with anna love1

#no

(CHECK if nicole love ≥ 5 she warns you that joe will mess with you but you shouldn't react)

(take the tv and vcr for jen from the storage/warehouse at the back while you're at the bar, ALSO \$160 IS AVAILABLE ON THE STORAGE ROOM SAFE)

=====

joe 1 deliver envelope from nicole + optional mff scene

(on the way to joe's you get a choice whether to open the envelope you took from nicole's office, choose to open it on the way to joe's if you want the mff scene later on)

you need to select specific options during joe's dialogue for the "party" h-scene to happen:

#...

#im listening

#...

#there is nothing inside

#nod and smile

if you party with joe you get a new status, "UNDER THE INFLUNCE" which is displayed on the top right of the screen as an exclamation sign inside a circle. this alters some dialogues and stat gains/losses, or makes them unavailable as long as it's active. basically youre high drunk etc and your behaviour reflects that (which can be good or bad). from here on i will prefix any changed or unavailable dialogue options with "UTI".

=====

mery 2 bj (IF YOU TOLD MERY TO CLEAN YOUR OFFICE go to the brothel after joe and interact with the tv/vcr for bj. IF YOU CLEANED IT YOURSELF, you'll still need to go and set up the vcr for jen)

=====

jen 6 watching porn

(if you don't CHECK love $\geq$ 10 with anna she won't let jen off and you have to go to gina to replace her, who will reprimand you for not acting like a boss and subtract dom-3 for gina. but you get a nice pic of gina in her underwear)

(UTI - partying with joe passively gives you dom3 with gina instead, since nick puts his foot down and orders her to do it)

(also you have to decide between the jen finger scene or the anna fuck scene)

#you in a porn movie lust1
#wouldnt do it without you love1
#maybe dom1

(UTI - partying with joe and anna's offer to celebrate from anna 9 (if lust $\geq$ 8) forces the first choice, you leave jen and go to anna's place)
#i have to go (fuck anna)

#... (if you choose this anna will be angry bc youre late and won't fuck)

#you want to get caught dom5

#you like being watched

##do you want to see anna fucking death1 (also the anna sex tape disappears from your inventory)

###yes dom1 lust1

###pull dick out lust2

##you can do it love3

(^^both of the main options above leads to the finger scene but with diff dialogues and stats)

=====

anna 10 h scene

(UTI - partying with joe forces the second choice i.e bend over)

#like what lust3

#bend over lust3

##fuck her

##put it in her ass dom1

(pick all opts for both variations to get the most lust pts, bend over is better since it adds dom1)

=====

gina 3 (back home after jen 6 and/or anna 10)

#no more housewife act dom1

#had fun love1

#whos the lucky guy lust1

#goodnight dom1

#why dont you take a bed tonight lust1

=====

gina 4 (masturbation scene the morning after gina 3 CHECK lust>=4)

#hey lust1

#... dom1

look at gina lust3

(sneaky easter egg stat gain, after the scene, click on gina then click the look icon (eye symbol) to get a pick with her legs spread out and lust+3)

=====

anna 11 look at anna lust3

right after gina 4, before doing anything else, go to anna's place, click on anna and select the 'look' option (the eye symbol) from the interaction wheel and you'll get a new pic of anna and lust3

=====

mery 3 (telling her what items to buy for the whores)

no h scene here but mery will give you +350 money in an envelope in your office. then you either give her 200 for the items

OR tell her to take it out of anna's cut if you have 100% dom with mery (acquired automatically by letting her clean the office for you during mery 1 and then getting a bj after coming back from joe's party)

=====

gina 5 (after talking to boris at vasyi's bar and coming back, no h scene)

#give 100 money love1

#give 300 money love2 lust1

#smiley [progresses quest]

EVENT FORK:

#girls

##(h scene with debbie and amy then go to nicole love-1 for being late)

#pick up nicole

##(go to nicole directly without sex with debbie/amy)

#Help Johnny(help your buddy then go to nicole, no stat loss with her for being late in this case. YOU GET \$3000 AS REWARD FOR HELPING SO PICK THIS ONE IMO)

(gameplay steps for the "helping johnny" route:

>go to doc's garage, click on the blue door, then click on the white key icon

>click on crowbar on wooden planks to the left of the garage, itll be added to your inventory

>click on the red cabinet between the two red doors on the right, then click the crowbar icon

>doc's wife, rose, will barge in

>fuck her (h scene)

>slap her ass and leave

whatever you choose to do with rose, you will get +5000 money from the cash box you stole from the cabinet, 2100 of which will go to johnny for his problem and the rest belongs to you)

raven 1

(this is where you switch to the other protagonist, raven. lotta bugs but none game breaking if u do things in the right order.)

first task is to get items you will need later. then, shower and dress. finally, go to wade's shop to develop film.

>take the camera film from the dressing table.

>interact with the tripod, then interact with camera, then fix camera on tripod. DONT INTERACT WITH THE CAMERA OR TRIPOD ANY MORE AFTER COMBINING THEM CUS GAME BREAKING BUG (v1.1) LATER

>go to bathroom and shower

>click on clothes rack to dress

>DO NOT INTERACT WITH KITCHEN CABINET (CAUSES BUG IN v1.1)

>click on coffee table near couch/tv then take lana's bong. you should have film & bong in inventory now. if you do, exit the flat.

>click door on other side of hall, which is lana's apt. finish the dialogue, exit building right, select "go to ben's shop" from the options

>finish the dialogue with ben and go into the dark room to develop photos

how to develop photos:

>take the cap remover, then combine it with the film

>combine the uncapped film with spiral

>put the film on spiral into developing tank

>pick up the developing solution and apply it to the tank, you get negatives

>take photo paper, then combine it and the negatives with the negative carrier

>THIS BIT IS TRICKY AND REQUIRES CONCENTRATION - interact with negative carrier to turn it on and leave it on for ten seconds IN REAL TIME then interact with it again to turn off

>if you pulled that off, click the tray to view photos

after developing photos, you're transported outside joe's place:

>click on door, then once you're inside talk to nails

>now thats done, there are 2 doors, top right and further right. the TOP RIGHT one is the WEED ROOM where you can get weed for lana, but you need to FIRST walk thru the FAR RIGHT room to JOES OFFICE, then after the dialogue come back and go thru the top right one and take the weed bag from table beside the cannabis plants

>so to recap, FIRST go thru the FAR RIGHT door to joe's office, finish the dialogue and AFTER THAT go thru the TOP RIGHT door to the WEED ROOM, take the weed bag

>leave the building, walk to the top of the map, select "go home"

>in ravens apt click on the camera, see the scene; lana knocks on the door, let her in

>after the awesome lesbo, youre transported to muffin's bar. after the dialogue, go out and walk to the LEFT of the map

>youre outside joes place now, go in walk to joes office and finish dialogue

>once out of joes office, go into top right WEED ROOM, make two bags of weed by combining stuff youll find on the table. get out into the alley and walk to the top of the map

>enter the barber shop and give weed bag to frank

>go into muffins bar (pink light), ask to use the phone

>after the phone you are transported to a parking lot where wade is waiting (guy standing by the dark red car) for the photos you developed at the start of the chapter

>ask him "can you give me a ride". the other two convo options are not implemented

wade gives you a ride to vasyi's bar:

>enter, finish dialogue then enter nicoles office, dialogue, give her bag

#"kgb"

#no i dont

#yes

#what do you mean

(as of now these dialogue choices do not affect anything but i think telling nicole the truth that you know they call her kgb is the better option)

after the talk with nicole raven is back at her apt and has a phone convo with joe:

>take the suitcase, leave the apt, leave the building, walk to the left of the street to joes place

>at joes place entrance talk to nails and get nicks gun (if nick doesnt have a gun this obviously wont trigger but im not on that path, shouldnt matter either way)

>get back to the street, enter muffins bar, talk to muffin, use the phone and talk to aaliyah

>youre at an elevator in aaliyahs building now. there are two areas to the left and right. walk to the RIGHT to find aaliyahs apt, to the LEFT for a plant under which she keeps her keys (interact with plant to pick em up).

>you dont need the keys but get them anyway cus they let u enter without knocking which scores you a pic of aaliyah sexercizin *whistle*

#knock

#use key (PICK THIS)

#...

after talking with aaliyah leave the briefcase on the table in front of the couch and leave. you finally arrive at the pink flamingo and near the end of v1.1

>walk towards the bouncer until dialogue triggers

>in the pink flamingo walk towards the hallway @ the top left and dialogue with aisha triggers

>after the dialogue you are in the hall outside aishas office, go to the left and click on the red door. sit on the couch, choose "wait" ("get up" doesnt do anything as of 1.1)

nick comes in and sits down facing raven. fade to black.
