Content

There will be two zines, separated by SFW and NSFW content.

You CAN submit:

Anything that can be put on a PDF.

Outside of traditional fanfiction & illustration, I want to encourage all forms of creativity you guys have to offer. So here's some ideas if you wanna get Crazy:

- Mixtape Tracklists/Commentary
- Collages
- Poetry & Lyrics
- Recipes
- Photography
- Comics
- QR To An Original Song/Video
- Craft Instructions
- Thinkpieces & Essays
- Letters
- Astrology
- Perfume Notes

You CAN'T submit:

- Anything that can't be put in a PDF format.
- Anything containing personal or identifying information.
- 'Dead dove' content will be reviewed on a case-by-case basis. While each work will be given content warnings as needed, I want to make sure this zine is inclusive and allows everyone in the community to feel comfortable.

You may submit **as many fanworks as you'd like** for this zine.

If you want, you may also submit a piece you've already published on Ao3/Tumblr/elsewhere.

However, please limit yourself to one pre-published work per submission.

For example, if you submit five things, four of them must be newly created for this zine.

If you are only submitting one work, it must be newly created for this zine.

Please do not submit any pieces that are already included in other zines or projects. I don't want to get in trouble.

Format & Distribution

This zine will be two formatted PDFs: one for SFW pieces, one for NSFW pieces.

This zine will be free.

Q&A

Q: Who's driving the boat?

A: @lordfleasus

Q: Will there be a physical zine or merch?

A: No. Unless you print it out yourself. That would be so cool.

Q: Do I have to submit all of my pieces at the same time?

A: No. If you want, send an email/DM telling me how many things you plan to submit so I know how many submissions to expect from you. You can change your mind any time.

Q: What happens after I submit my piece(s)?

A: I will look over your submission to determine if/which content warnings are needed.

I will not be editing/betaing any submissions.

Q: Does my work need to follow any dimensions/formatting specs?

A: The layout is looking like a 3:4 landscape format right now, but feel free to follow any ratio you want for your pieces. I'll be sharing the draft of the zine before publishing so we can chat about how your piece is displayed.
