MONDAYS

Club Title: Everything is Awesome with LEGO (PreK Section I)

Instructor: Carrie Emigh, BeTa Community Programs

Description: Everything is awesome when we are building with LEGO! This hands-on, interactive program is designed to inspire young minds and promote learning through play.

Grades: PreK

Fee: \$145

Max # of Students: 10

Club Title: Brain Builders

Instructor: Ms. Shauna

Description: Pack your imagination and head to Crystal Pond Woods, where thinking takes a fun twist! In this magical forest, you'll meet curious creatures who help you see the world in new ways. Whether you're solving puzzling mysteries, crafting clever creations, or thinking outside the box, you'll explore all kinds of thinking—divergent, convergent, evaluative, and visual/spatial—through games, crafts, and challenges that stretch your brain and spark your creativity!

Grades: K-2

Fee: \$140

Max # of Students: 10

Club Title: French Through the Senses

Instructor: Ms. Brie

Description: Students will explore the French language in a fun, interactive way—using all five senses! They'll look at maps and photos of the French-speaking world, listen to stories and songs in French, practice new vocabulary through games and hands-on activities, and even prepare and taste simple French foods. A playful introduction to language and culture, this club helps students build curiosity, confidence, and joy in learning French.

Grades: 1-4

Fee: \$150

Max # of Students: 8

Club Title: The Puppet Lab

Instructor: Ms. Moore

Description: Make your own puppet using simple materials and your imagination. Would you like to make a dragon head that snaps? Sew a sock puppet with sparkling eyes? Each participant will be invited to choose from set materials and techniques to complete a puppet. Young artists who prefer to paint or draw independently are also welcome during this workshop.

Grades: 3-6

Fee: \$150

Max # of Students: 10

Club Title: Ukulele Club

Instructor: Mr. Zach

Description: Perfect for beginners, this club offers students in grades 3–8 a chance to learn to play the ukulele in a relaxed and supportive setting. We'll cover the basics—chords, strumming, and simple songs—while building musical confidence and having fun with friends. No experience needed and ukuleles are provided!

Grades: 3-8

Fee: \$140

Max # of Students: 14

Club Title: Soccer Team **begins week of September 8th*

Instructor: Ms. Schonberg (contact to register: schonberg@siskids.org)

Description: Participating in sports develops teamwork, perseverance, and leadership skills. It encourages time management, builds physical fitness, and boosts confidence both on and off the field. Student-athletes often find they're more focused in the classroom and more connected to their school community. The team will compete against other private schools in the region.

Grades: 5-8

Fee: No Fee

TUESDAYS

Club Title: Gymnastics (PreK)

Instructor: Kiya McIntyre, Saratoga Fit Nest

Description: Tumble, roll, and giggle! This playful class introduces your little one to the basics of gymnastics through fun games, obstacle courses, and creative movement. We'll focus on building coordination, confidence, and body awareness—all while having a blast!

Grades: PreK

Fee: \$165

Max # of Students: 10

Club Title: Yoga Adventure

Instructor: Ms. Jessica Blair

Description: Fun yoga poses will be enjoyed with engaging songs, instruments and stories. We'll bark in downward dog, hiss in cobra pose and flutter our butterfly wings as we stretch, sing, balance, twist, bend and play yoga! We'll plant lots of seeds for kindness, compassion, empathy, connection, confidence, body awareness, self-regulation, finding our calm, sharing and bonding between classmates, while strengthening growing muscles and using our imaginations.

Grades: K-2

Fee: \$140

Max # of Students: 10

Club Title: Lego Engineering

Instructor: Shannon Clute, BeTa Community Programs

Description: This class will expand students' minds through engineering and STEM experiments, challenges, and activities. This hands-on, interactive program is designed to inspire young minds and promote learning through play. Building with Legos helps work through challenges that require problem-solving, engineering, and critical thinking skills. Unlock the world of innovation and creativity with our STEM LEGO class!

Grades: K-3

Fee: \$155

Max # of Students: 15

Club Title: Math Club

Instructor: Ms. Steward

Description: Is math one of your favorite subjects in school? Or maybe it's your least favorite and you want to explore the fun aspects of it... either way - In math club, students will use what they learn in the classroom to complete an array of fun and engaging activities. They'll solve riddles, work through logic puzzles, play games, complete projects, and apply math concepts to real-life situations. Students will leave math club exhausted from all the fun they had!!!

Grades: 3-5

Fee: \$140

Max # of Students: 10

Club Title: Cross Country Team **begins week of September 8th*

Instructor: Ms. Moore (contact to register: gmoore@siskids.org)

Description: Participating in sports develops teamwork, perseverance, and leadership skills. It encourages time management, builds physical fitness, and boosts confidence both on and off the field. Student-athletes often find they're more focused in the classroom and more connected to their school community. The team will compete against other private schools in the region.

Grades: 5-8

Fee: No fee

WEDNESDAYS

Club Title: Crafty Kids (PreK section)

Instructor: Ms. Jess

Description: This club offers an exploration of a variety of art materials and lots of creative freedom. Come get crafty with me!

Grades: PreK

Fee: \$150

Max # of Students: 8

Club Title: Gymnastics (K-2)

Instructor: Kiya McIntyre, Saratoga Fit Nest

Description: Cartwheels, handstands, and skill-building fun! In this upbeat class, kids will learn beginner gymnastics skills, improve balance and strength, and develop a love for movement. Each class blends structure and creativity to support growing minds and bodies.

Grades: K-2

Fee: \$160

Max # of Students: 10

Club Title: Fitness Fanatics

Instructor: Ms. Steward

Description: If you enjoy running around and getting your energy out... this is the club for you! We are going to play games, run laps, complete workouts, and so much more. In this club, we will complete 1-4 games/workouts each week in order to keep our hearts healthy and minds happy. Some activities include: kick ball, soccer, going on hikes, dancing, and exploring many other fun activities that will tire us out.

Grades: 2-4

Fee: \$140

Max # of Students: 10

Club Title: Homework & Organization Club

Instructor: Ms. Walter

Description: We will begin with a snack and a "stretch your body" starter. Students will then be asked to complete homework and/or organize folders, agendas, backpacks, and lockers with support. This is a great way for students to learn about organization, time management, and to get homework completed in a supportive environment.

Grades: 5-8

Fee: \$140

Max # of Students: 10

Club Title: Soccer Team **begins week of September 8th*

Instructor: Ms. Schonberg (contact to register: schonberg@siskids.org)

Description: Participating in sports develops teamwork, perseverance, and leadership skills. It encourages time management, builds physical fitness, and boosts confidence both on and off the field. Student-athletes often find they're more focused in the classroom and more connected to their school community. The team will compete against other private schools in the region.

THURSDAYS

Club Title: Everything is Awesome with LEGO (PreK Section II)

Instructor: Carrie Emigh, BeTa Community Programs

Description: Everything is awesome when we are building with LEGO! This hands-on, interactive program is designed to inspire young minds and promote learning through play.

Grades: PreK

Fee: \$145

Max # of Students: 10

Club Title: Woodland Wonders

Instructor: Ms. Ali

Description: Each club will start with a picnic style snack before venturing into the forest. Students will learn about our outdoor environment and do a fun activity in nature. Full rain gear required.

Grades: PreK

Fee: \$150

Max # of Students: 8

Club Title: Crafty Kids (K-2 section)

Instructor: Ms. Jess

Description: This club offers an exploration of a variety of art materials and lots of creative freedom. Come get crafty with me!

Grades: K-2

Fee: \$150

Max # of Students: 10

Club Title: Creative Crafters (3-5 section)

Instructor: Ms. Brie

Description: This club is all about hands-on fun - from paper crafts to DIY projects! We'll cut, glue, fold and build using a wide range of crafty materials. If you love making things with your hands, this is the place to be!

Grades: 3-5

Fee: \$150

Max # of Students: 10

Club Title: Gymnastics (3-5)

Instructor: Kiya McIntyre, Saratoga Fit Nest

Description: Challenge, grow, and shine! Designed for older kids ready to take their skills to the next level, this class focuses on strength, flexibility, form, and technique. Whether they're beginners or experienced movers, every child will be encouraged to progress at their own pace in a supportive and energetic environment.

Grades: 3-5

Fee: \$165

Max # of Students: 10

Club Title: Bake A Story

Instructor: Ms. Tracy

Description: Learn to bake treats through reading, math, and science. This is an allergy friendly club!

Grades: K-2

Fee: \$150

Max # of Students: 6

Club Title: Learn to Code

Instructor: BeTa Community Programs

Description: Learn the basics of coding through Scratch, a fun and visual programming language. Students will create interactive projects while exploring key programming concepts like loops, conditionals, and functions. Collaboration is encouraged, with opportunities for peer mentoring and project extensions for those who like an extra challenge.

Grades: 3-8

Fee: \$160

Max # of Students: 10

Club Title: Cross Country Team **begins week of September 8th*

Instructor: Ms. Moore (contact to register: gmoore@siskids.org)
