

Welcome To Queen's Nails

All nail implements are thoroughly sterilized to meet and exceed Maryland Board requirements.

Pedicures are done in luxurious foot spa with body massage chairs.

Any health conditions or concerns such as skin conditions, allergies, diabetes must be noted to the staffs prior to receiving service. Sanitary is most important concern for us.

*Here at **QUEEN'S NAILS**, hospital grade disinfectant is used to protect the transmissions of nail fungi and other bacteria.*

We assure our clients having a clean, safe and satisfied experience.

We will build our reputation and image on meeting our client's needs first.
