PN 1019---School Transport – Location Change & New Registration Procedure

Respected Parents,

Please note that, any **location change requests for existing school transport students**, as well as **new transport registrations**, should be sent by email to **transport@seps-auh.com**.

Upon receiving your email, we will share the **Location Checking Form**. Kindly fill in the required details and send it back to us.

The transport company staff will visit and verify the location. This process will take **up to 3 working days**. Only after location confirmation can a **new pickup point be added to the existing bus routes**.

Thank you for your understanding and cooperation.

Thanks and Regards,

Dr.Thakur.S.Mulchandani,

School Director/Principal,
