The Standardisation of Fonts Act [2021]

Whereas: there is a lack of Standardised fonts and formats for bills.

Whereas: there is a Lack of Accessibility to those with a Reading Impediment.

Whereas: there is a Tangible chance of Malicious utilization of Fonts.

Therefore; We should Reform the Standardised Format for Legislative And Administrative Documents.

Part 1 - The Font:

- §1] An Official committee Consisting of 4 Individuals will be Nominated to Select a New Font according to the following parameters.
- §1.1] The Font must be readable Without Causing Discomfort or Fatigue to the Observer at a Size of 10.5 px positioned 30cm away from an Observer's Eyes.
