Dear Class of 2025 Students & Parents,

Graduation events are just around the corner and the excitement is growing as we prepare for the well-deserved celebrations associated with this season. As we continue in our preparations, we are sharing information related to the format and structure of both our Senior Awards Night (Wednesday, June 4 @ 7:00 pm) in the Massabesic High School gymnasium, and Graduation (Thursday, June 5 @ 7:00 pm) at the Cross Insurance Arena in Portland.

## Senior Awards Night

We are excited to announce that we will be recognizing over 350 accomplishments and achievements of students from the Class of 2025. This is an incredibly impressive number of awards and recognitions for this deserving group of students. In order to appropriately and respectfully recognize students and their achievements we have developed a structure and program that highlights these achievements while being mindful of student and family time commitments due to the important events of this particular week of celebration. Some awards will feature recognition of individual students by outside organizations while many awards and distinctions will feature whole-group recognition - this will be coupled by a comprehensive program pamphlet that recognizes students and their achievements.

## Graduation

The MHS Graduation event normally runs for 90 minutes. The agenda for graduation will occur as follows:

- Staff Processional
- Graduates Processional
- Performance of the National Anthem
- 2 Student Speakers
- Faculty Bowl Presentation
- 1 Staff Speaker
- Superintendent remarks
- Presentation of Diplomas
- (No recessional)
- Students depart for Project Grad or depart with their families

Regards,

Ty Thurlow
