

St Colmans do not like all other schools that use VSware do not have permission to set or reset passwords, please follow directions below:

[Setting or Resetting your password](#)

 Step 1 Click on vsware login or go to <u>VSWARE LINK</u>	 Step 2 <u>Click on link above Sign in button and choose Create/Reset Password</u>	 Step 3 <u>Type in username you received in text from St Colmans CC (note the dot in your username usually after the first letter, which is a capital) and then type the last four digits of your mobile</u>
 Step 4 <u>You will receive a text with a code, type that in.</u>	 Step 5 <u>then create your own password and type it in twice into boxes. Make sure your password follows all four rules</u> <u>Click Change Password</u> <u>Click go to login</u>	 Step 6 <u>Type in your username and password and then user setup will start click button</u>
