Single Period Contract For 3rd Period Marching Band 2026-2027

Your student has expressed an interest in participating **only** in one period of band during the fall semester. This would mean your student would only enroll in their Wind Ensemble/Symphonic Band/Colorguard period. Marching band is normally scheduled for 2 periods of band in the fall.

Special permission can be **granted** to take only Wind Ensemble/Symphonic Band/Colorguard in the following situations:

1. Upperclassmen who are required to take a full load of academic core classes (English, Mathematics, Health, World Language, Science, Social Science) or are enrolled in a CTE/CART.
2. 9th & 10th graders required to take
    a. Sports PE
    b. Performing Arts: Drama, Choir, Folklorico, Orchestra

These guidelines are necessary to maintain the needed student commitment to keep the Clovis West High School music program at the highest level of achievement.

If permission is granted to take only one period of band in the fall, regular personal practice will be necessary to keep pace with the progress of students who are enrolled in the fall semester Marching Band P.E. class.

I have read the conditions of this contract and will abide by the consequences specified
