Artists/ Merch Artist Guidelines

- 3-5 high quality samples of your work, not all of them have to be One Piece related. Submitting a piece of work with Killer is encouraged, but **not** required.
- Your portfolio should include as much of your work for our moderators to see! We want to see your use of colour theory, anatomy, composition, light and shading and backgrounds (if applicable).
- Not all examples need backgrounds! We are looking for spot artists as well who will accompany writing.

- For Merch Artists, we require you to share ideas about merchandise. We would love to hear what you'd love to make!
- We accept photos of physical merch you have made in the past should you want to share those as examples but please remember that this zine is **free** and **digital**.

Writer Guidelines

- 3-5 samples of your writing, not all of them need to be One Piece related. Submitting a piece of work with Kid or Killer is encouraged, but **not** required.
- Moderators will be looking at your grammar, spelling, interactions between characters and how well you portray the subject you wish to write within your portfolio.
- **All sample submissions must be under 1,500 words but above 500 words**
- These samples can be excerpts from fully finished or in progress fics but we would love to see full fics within the word count if you have them!
