

Possible questions people might ask during the MYP Project Showcase

1. How did you choose your topic?
2. What did you learn?
3. What skills did you improve upon while doing this major project?
4. How did your thinking change while doing your project?
5. Explain your work / project to me.
6. What was the hardest part of the project? Challenges?
7. What was the most fun for you in this project?
8. Did anyone mentor or support you?
9. Where do **you** think you did your best work?
10. What advice would you give a 9th grader who is going to start his/her project this Spring?
11. How does this compare **to** other large projects you have done?
12. Does this relate to your future career plans?
13. How is this project personal to you?
14. If you had to do this project again, what would you change? Why?
