***Amendment voted upon by five council members and approved by the principal.**

ARTICLE IV: DISCIPLINE and DISMISSAL

Section 1:

Any member who falls below the standards of scholarship, leadership, character, or service may be dismissed from the Southampton chapter of the National Honor Society. A member of the National Honor Society is expected to maintain his/her academic standing and take an active role in service and leadership to his/her school and community.

Section 2:

If a member’s cumulative grade point average falls below the standard in effect when he/she was selected (*92% or better*), he /she will be given a written warning and a time period for improvement. If the cumulative grade point average remains below standard at the end of the warning period the student will be subject to further disciplinary action by the Faculty Council that may include dismissal from the chapter.

Section 3:

Violation of the law or school regulations can result in dismissal of a member. These violations include, but are not limited to, DWI, stealing, destruction of property, cheating, truancy, or possession, selling, or being under the influence of drugs or alcohol at school or school-related activities.

Section 4:

Offenders of the school conduct code (such as use of profanity, failure to comply, unexcused absence, excessive tardiness, etc.) will receive written warning notification. A conference may be requested by either party (Faculty Council or student/parent). If the member is involved in another violation of the school conduct code, the member may be dismissed.

Section 5:

In all cases of pending dismissal:

- a. The member will receive written notification indicating the reason for possible dismissal from the adviser/Faculty Council. The member and adviser will discuss the written notification in a conference. Situations that involve flagrant violations of school rules or the law can warrant disciplinary action without a written warning although a hearing must still be held (see below).
- b. The member will be given the opportunity to respond to the charge against him/her at a hearing before the Faculty Council prior to the vote on dismissal (in accordance with due process identified in **Article X** of the National Constitution). The member has the opportunity to present his/her defense either in person or in writing. [Note: This is the member's choice. Chapters may not deny the right to appear in person.] The Faculty Council will then vote on whether to dismiss. A majority vote of the Faculty Council is needed to dismiss any member.
- c. The results of the Faculty Council vote will be reviewed by the principal, and then if confirmed, expressed in a letter sent to the student, parents, and principal. Dismissed members must surrender any membership emblems to the adviser.
- d. The Faculty Council's decision may be appealed to the building principal and afterwards through the school district discipline policy.
