Welcome

Brothers,

As we announced at Orientation 2022 and shared internally in our newsletters membership, we are pleased to announce that Lambda Phi Epsilon's 41st Convention will be held at **Hilton Tampa Airport Westshore** in **Tampa, FL,** June 24-26, 2022!

Below you will find information for active members regarding convention details, chapter expectations, registration costs, and deadlines.

Please read this memo thoroughly and feel free to email events@lambdaphiepsilon.org with any questions before completing registration.

IEB,

Convention 2022 Planning Team
Lambda Phi Epsilon International Fraternity, Inc.

Active Chapter Requirements

The LFE International Board has the highest expectations for each of our chapters, and thus anticipates 100% Convention participation from every chapter. However, we understand that circumstances beyond chapters' control arise. Therefore, 25%* or more of each chapter is required to attend Convention to conduct business.

As written in the International Constitution:

Section 3: House of Delegates

- Subsection A: Collegiate Delegates
    - Each Collegiate Chapter will be allotted a voting representative ("Delegate") for every 10 recognized members of their chapter, rounded down to the nearest multiple of 10. The number of members accounted for each Collegiate Chapter delegation will be averaged between the Spring and Fall registration periods of the previous calendar year. Collegiate Delegates must either currently be an Active Member or have been an Active Member during the previous Spring or Fall registration periods. Active Collegiate Chapters will each receive a minimum of two Delegates, while Associate Collegiate Chapters will each receive a minimum of one Delegate.

Attendance Eligibility

- Active Members: Expected to attend the entire convention program, including all meetings and events as outlined in the convention agenda
- Active Graduating Senior: Considered an active member and included in the majority house count
