The city where I live: students upload videos about the place they live. They can describe it in terms of location and how to get there, sightseeing and attractions, accommodation, food and beverage, festivals and events, or can review restaurants, movies, places... giving their opinion. The Best Places to Go in My City (separate students make a brief video of one special place - site, monument, restaurant, etc.)		
My residence (house or apartment tour)		
My snack foods!, My typical breakfast, lunch, or dinner		
My weekend activities		
What I do the best is... Like a "masterclass".		
Hands-on English. Students in groups prepare a video giving instructions on how to do something, e.g. origami boat, and the class abroad has to do it and show output plus give some feedback.		
Explain and demonstrate customs.. For example, How to shake hands, or, how to bow, or, how to eat noodles Taipei style.		
"Do's and don't's for a visitor to your country" and "How to make your favorite dish or drink".		

Flora and fauna		
Community: hospital, police, fire, post office, grocery,...		
Architecture		
Symbols		
Music		
Someone you admire, why?
