Education and Mental Health of Children from Chinese
Immigrant Families (II)

Presenter: Dr. Desiree Baolian Qin

Time: Sunday, March 17th, 2013

10: 40AM—下午12: 10PM

Location: Berkey Hall Room 110

Child education expert MSU Associate Professor Desiree Baolian Qin will discuss the following issues with us:

- Why do children experience bullying at school?
- How common is bullying in schools?
- How may bullying experiences influence children's development?
- What shall we do when our children are bullied at school?

We hope you can bring your questions and experiences and join us in this discussion sponsored by the MSU Chinese School!
