

Discipline, Suspension and Dismissal of Professional Staff (And Contract Nonrenewal)

The Board of Education shall follow procedures established by law for the suspension and dismissal of teachers.

Full-time probationary teachers, currently employed by the Board, shall be reemployed for the succeeding academic year at the appropriate salary unless the Board does not renew the contract of such teacher pursuant to law.

The superintendent shall be authorized to suspend with pay or place on administrative leave a professional staff member as a disciplinary measure and/or pending an internal investigation when a professional staff member is accused of serious misconduct. The superintendent shall report all such suspensions to the Board at its next meeting and shall make a recommendation if further disciplinary action is warranted.

A teacher shall not be subject to any disciplinary proceeding including dismissal for actions which were in good faith and in compliance with the district's discipline code, nor shall a contract nonrenewal be based on such lawful actions.

The district shall not obtain consumer credit reports on a current employee unless the district is evaluating the employee for promotion, reassignment or retention. In all cases where credit information or reports are obtained and/or relied upon for purposes of reassigning, terminating or denying the promotion of an employee, the district shall comply with the Fair Credit Reporting Act and applicable state law.

The district shall comply with the mandatory reporting requirements concerning allegations of unlawful behavior involving a child and other offenses, in accordance with state law and the regulation accompanying this policy.
