

SFS Ice Hockey Club - 2025-2026

Our SFS Ice Hockey Club is going into our third year and we have over 40 SFS students signed up from ages pre-K to High School that will compete in Ice Hockey tournaments and leagues to include games against other International Schools in Korea! This is a great time to join as many International Schools have just started their Ice Hockey Teams and we look forward to competing with them.

Activity Description

SFS will be using the Zenith ice hockey rink in Guro-gu, Seoul to provide an exciting opportunity to learn and play ice hockey for all skill levels and ages. Team practices will take place on Thursdays and Sundays and are open to all skill levels, from beginners who have never been on the ice to advanced players. In addition to practices and scrimmage games, SFS is part of the Foreign International School Hockey (FISH) League where we compete against eight other International Schools in Korea 3-4 times a year in a tournament style competition. The team will be coached by Korean and English speaking instructors with a focus on inclusion, team development, skill development, and most importantly, having fun. The team will also have a strong focus on parent participation and networking to provide even more opportunities for our students to build a strong SFS community inside and outside of the school.

New for SY25-26 is MY Select Hockey which will be held during the spring season. For middle school students looking to play competitive hockey, tryouts will be held and the select team will compete with other International middle school teams in Korea and Asia.

Safety

Ice hockey traditionally has lower injury rates than other team sports such as basketball, football, soccer and baseball. Body checking will not be permitted. All children will be insured by the ice rink venue and will require wearing full hockey safety gear at all times inside the rink.

Schedule

Practices are on Thursdays 8:30-10:30 pm and on Sundays 11:30 am- 1:00 pm.

Location

Practices are held at Zenith Ice Rink located about 12 km south of SFS campus. Directions and information of the ice rink can be found below:

Coaches (Blitz Hockey)

Director Han, Coach No, and Coach Justin McKinney, are our main coaches for SFS. SFS coaching staff is part of the Zenith Blitz hockey team who is considered one of the best youth club hockey teams in Korea and have finished first place in multiple youth Ice Hockey tournaments in Korea. Our coaches have over a decade of youth coaching experience and have played both at collegiate and professional levels in Europe and Asia.
