Music Theory

This is an advanced music course for upperclassmen with prior music experience. The class is structured much like a college course, made up of in-class practice/notes, quizzes, and exams. My goal is to enrich students' musical knowledge, and to prepare students for a future in music.

Percussion Ensemble

Despite the course title, this is a general music course. Course grades are made up of in-class work, and participation. Students will be exposed to all different kinds of music and instruments. Active participation is the only requirement to pass this class.

Marching Band

Marching Band starts in the summer and continues through the end of October. After school rehearsal on Mondays from 6-9 and Wednesdays from 4-6 PM and all after school performances are ATTENDANCE REQUIRED.

Symphonic Band

The concert season begins after marching band in late October/early November. All students will audition for seating in the Symphonic Band.

Orchestra

Orchestra is a full-year course for all violin, viola, cello, and string bass students. We will learn and perform a variety of musical works from standard orchestra literature to popular music. The orchestra performs frequently throughout the year and all performances are REQUIRED.
