Instructions:

1. Fold card base in half at score line. Place front of card base in Painted Texture 3D embossing folder and emboss using Stampin' Cut & Emboss Machine.
2. Die cut 3 ¼" x 4 ½" Pool Party piece using 3" x 4 3/8" Stitched Rectangle die.
3. Using VersaMark ink, randomly stamp "I'm Blown Away by You!" on the Pool Party die cut.
4. Wrap Metallic Mesh ribbon around left side of Pool Party die cut and attach to 3 1/8" x 4 ½" Basic White piece.
5. Attach Basic White/Pool Party piece to card front using Stampin' Dimensionals.

6. Using Tuxedo Black Memento ink, stamp fan and two corgis on the 2 ¼" x 5 ¼" Basic White piece.
7. Using dark Sweet Sorbet Stampin' Blends marker, color the "flags" on the fan.
8. For steps 9–11, first squeeze ink pads between the palms of your hands to transfer from ink to the lid of the ink pads.
9. Using Water Painter and Smokey Slate ink, color fan – darker on the fan base and lighter on the screen portion.
10. Using Water Painter and Polished Pink ink, color corgis' tongues.
11. Using Water Painter and Cajun Craze ink, color corgis making sure the ink is pretty watery so coloring is on the light side.
12. Using Water Painter and Crumb Cake ink, color corgis again making sure the ink is pretty watery so coloring is on the light side. The combination of the two colors will give a more natural look for a corgi.
13. Fussy cut fan and corgis.
14. Using Stampin' Dimensionals, attach fan to card front.
15. Take one mini wobble and attach to back of one corgi and attach to front of card. To create wobble effect, flick one ear of the corgi!
16. Inside of card: Wrap 5" piece of Metallic Mesh ribbon around the bottom of the 4" x 5 ¼" Basic White piece. Attach to inside of card.
17. Using Multipurpose Liquid Glue, attach second corgi to bottom right.
