- What do we mean by a prayer of “adoration”? (It is a prayer that praises God and shows our love for him. Hint: This is usually the trickiest one for the kids because it’s the least familiar, so rule out the other kinds of prayers first. You’re not thanking God, asking for something, or saying you’re sorry. It’s just a pure prayer of praise. Remember: when we praised each other in class, we said good things about each other. When we praise God in a prayer of adoration, we say good things about God. “You are holy, you are mighty, etc. “
