

TTC Policy on Unsupervised Children

To protect our young junior members, all children under the age of 11 years who are not participating in a coach-led session must be supervised by a parent / carer whilst at the club.

Junior members under the age of 11 should never be left unsupervised for a game or practice or before or after the scheduled coach-led sessions, even if there are other adult members, staff or coaching staff present. If the parent/carer is unable to supervise their child, arrangements need to be made by the parent/carer to designate an alternative adult to supervise. The child must be aware of any such arrangements.
