What is Dual Enrollment?

Per the Massachusetts Department of Higher Education, dual enrollment provides opportunities for high school students to take college-level courses for free or at a discounted price and earn credit toward high school completion and their future college degrees.

- Dual enrollment grades become a part of a student's permanent college record
- Dual enrollment courses may be accepted at colleges and universities (grade and credit policies vary by college)
- Typically a placement test is required to support eligibility for enrolling in a course

College Readiness Checklist	Other Considerations for Dual Enrollment
☐ I check and read my email regularly (at least 5 days per week) ☐ I ask for help when I need it ☐ I know how to take notes ☐ I know how to study ☐ I know how to write a paper ☐ I communicate with my teachers by email when needed ☐ I communicate with my teachers verbally when needed ☐ I ask questions when I don't understand something ☐ I ask for extra time in advance if I need it for a test or assignment ☐ I am willing to come before or after school or during flex to see my teachers ☐ I have a regular time and place that I study/work on schoolwork ☐ I have a system for keeping track of assignments and due dates (agenda, google calendar, etc.) ☐ I attend school and class regularly and arrive to class on time ☐ I bring my computer and other materials to school every day	☐ Grading/reassessing policies ☐ Attendance ☐ School/home communication ☐ 504s/IEPs and registration process at college ☐ Withdrawal process

☐ I know how to ask for help with technical issues

☐ If applicable: I understand the accommodations in my 504 plan or IEP
